# *Welcome Students, Parents and Guardians!*

**St. Marcus School Mission Statement:** To disciple children for Christ now and for all eternity and to train them in excellence for their roles in their family, church, community, workplace and country.

Dear Parents & Guardians,

Welcome! We are excited that you are a part of our St. Marcus family. We are excited to partner with you to equip every child to use a STRONG voice, freely receive and give forgiveness, learn self-control, service, humility and the GRIT needed to succeed. Everything that happens at St. Marcus is guided by our four core values: Christ First, Biblical Discipleship, Sacrificial Love, and Radical Expectations. There are three key factors that create the remarkable “M-House” family:

## **CHRISTIAN**

First and foremost, St. Marcus School is a Christian school, in the truest sense of the term. We are determined to develop children in their faith in our Lord and Savior, Jesus Christ. Motivated by our love for God, St. Marcus drives a gospel-based behavior program, creating a unique and successful approach that produces behavioral excellence. When students' behavior reflects their Savior, the result is Christian leadership within their family, church, community, workplace and country. Further, when student behavior reflects their identity as a child of God, students will be able to take ownership over their academic success!

## **COLLEGE PREP**

St. Marcus' academic program is ultimately focused on equipping children to access college, pursue a technical career, or lead in the military. Students must look to their future, pursuing high and long-term goals, pushing themselves academically for success beyond high school. St. Marcus scholars independently break their academic barriers rather than follow others. Students understand that education is the key that unlocks the door to positively affect the world around them.

## **CHOICE**

To be a member of the St. Marcus family means CHOOSING to live up to the “St. Marcus Covenant”. It means parents, students, and staff members are each going to use GRIT and urgency to meet goals. Greatness cannot be achieved without sacrifice. Time, effort and energy are necessary during school hours and at home. There are no shortcuts; NO EXCUSES. Using the St. Marcus program to mold strong Christian children with sound character and college-bound mindsets depends on the ACTIONS we take as parents or guardians in partnership with the selfless, motivated staff. Compelled by Christ's love, St. Marcus chooses to work with you to ensure your child's success.

Our mission statement summarizes what is and will remain our core commitment to you, the parents and guardians of St. Marcus scholars. Welcome to the family and blessings on your school year!

Sincerely,

*Henry Tyson*

Superintendent

# I. School Ministry Team & Church Membership

St. Marcus School is owned and operated by St. Marcus Lutheran Church. Its mission is to connect people to Jesus and to each other in joyful love and service. St. Marcus is aware, respects and celebrates that many students have their own home church. Staff members love to hear about and be invited to special events at other churches where students are involved.

We believe that God reveals himself to us through his Word, the Holy Bible, and that the changeless Gospel is divinely inspired, free of mistakes, contradictions or errors. We believe in the Triune God (one God, three persons: the Father, the Son, and the Holy Spirit). Through the innocent life, death and resurrection of Jesus Christ, anyone can be saved. There is nothing we humans can do to earn our own salvation. The Holy Spirit calls us to Christ and to faith through the Word and baptism. He creates and sustains saving faith in Christ, and all who believe in him will not perish but have eternal life.

St. Marcus considers any students and families that are not members of another church, part of its spiritual family. There is a place for you at St. Marcus! We rejoice when others share our faith in Jesus and join us in ministry and life together. Please contact the School Ministry team with requests for prayer or to get involved in a Bible Study.

Any parents/guardians interested in baptism for themselves or for their children can also contact the School Ministry team. They will connect with a pastor or staff minister and arrange a time to be baptized. Baptisms can take place at Sunday worship services, in school chapels or at a privately scheduled time. Being baptized at St. Marcus does not automatically make someone an official member of the congregation.

Church membership allows an individual to make a public commitment to embrace the theology, vision, and mission of St. Marcus Lutheran Church. Members invest their time, talent and resources to help move the mission of the church forward, sharing their love for Jesus and serving others in our community. Those seeking membership are encouraged to contact one of the pastors to determine the best way to proceed.

# II. Parents & Guardians

## A. Parent/Guardian Role

God has given parents the primary responsibility of nurturing their children in all things, as Paul says in Ephesians 6:4: "Fathers, do not exasperate your children; instead, bring them up in the training and instruction of the Lord."

The Christian community has a secondary responsibility in the nurturing of children, as commanded by Jesus in Matthew 28:19-20: "Go and make disciples of all nations, baptizing them in the name of the Father, and of the Son, and of the Holy Spirit, and teaching them to obey everything I have commanded you."

God's ideal way to raise children is a partnership between parents and the Christian institution they choose to partner with, working together to train a child to be a disciple of Christ so they do not depart from it. The chief responsibility for making decisions in the best interest of children always remains with the parents, and children are encouraged to respect and follow those decisions as Paul says in Colossians 3:20: "Children, obey your parents in everything, for this pleases the Lord."

## B. Home & School Communication

### Teacher / Parent Communications

St. Marcus School recognizes parents/guardians as the primary educators of their children. Communication between parents/guardians and teachers is an essential ingredient to success in school. Parents/Guardians are strongly encouraged to:

1. Initiate communication with their child's teachers (teachers will respond at earliest convenience);
2. Communicate questions or concerns before they turn into major issues;
3. Avoid emotional responses to concerns before discussing the matter with other school personnel.

Our goal is to maintain an open, two-way, collaborative communication with parents/guardians. The school communicates with parents/guardians through phone calls, voicemails, text messages, notes, letters, orientation meetings, an electronic school newsletter, and the Parent Handbook.

### Emails

Please pay close attention to your emails for the weekly Newsletter, notifications from the business office, your child's teachers, Skyward (student database for grades and behavior reports), and other correspondence from St. Marcus. Emails will be used for important announcements and requests. It is critical that your email address is up-to-date and used regularly for communications.

### Events Calendar

Please mark important dates such as students singing in church, parent events, meetings and conferences, school-closed dates, etc, on your calendars!. The events calendar is available online at the "Parent Room" on [www.stmarcus.org](http://www.stmarcus.org) - a link to the website will always be included in the newsletter.

### Text Messages

Important and time sensitive updates and reminders about indoor or outdoor dismissal, events, holidays, school breaks, snow days, etc. are sent via text message! Please opt-in each school year to the group(s) that apply to your family. Watch for instructions to come home at the start of each school year.

### Skyward Family Access

Skyward is the student database we use to track attendance, grades, and major behavioral or health notes. Parents have access to this information and can use it to keep themselves updated. When enrolling each school year, you will need to provide an email address at time of online registration. That email address will be sent an informational email on how to set-up the Family Access Skyward account. If you did not receive an email, please visit the [www.stmarcus.org/school/parent-room](http://www.stmarcus.org/school/parent-room) and find the link for "Skyward Access".

When you get to the Skyward login page, click the link below the login area that says "Forgot your Login/Password?", and you will be able to set up your password. Please call the school office with any Skyward login issues.

## High School Communications

St. Marcus' interest in each student's success does not end when they graduate from 8th grade. Rather, St. Marcus is deeply invested and concerned about each student's future. As such, we encourage students and parents to become familiar with high-quality high schools that are Christ-focused and ready to provide the best environment for your child to continue to grow. Part of this process is getting high school information in the hands of our parents / guardians, so each adult has as much helpful information as possible to make an educated decision about the right high school for each child. In order to get the information from high schools efficiently to the parents / guardians, limited contact information may be shared carefully and with utmost respect for privacy with supported high schools, such as, Wisconsin Lutheran High School, Kettle Moraine Lutheran High School, Kingdom Prep Lutheran High School, Milwaukee Lutheran High School, and Luther Prep High School.

## C. Parent/Guardian Commitment: The Covenant

The St. Marcus Covenant is the specific commitment of the Teacher and Administrator, the Parent/Guardian, and the Student to support and uphold the Mission and Core Values of St. Marcus. Noted next to each item of the Covenant is which Core Value that particular pledge upholds.

- CF: Christ First
- SL: Sacrificial Love
- BL: Biblical Discipleship
- RE: Radical Expectations

During a home visit, each Parent/Guardian, Student, and Teacher will sign the St. Marcus Covenant. Below is the section that Parent/Guardian agrees to uphold each school year.

### *As a PARENT/GUARDIAN in the St. Marcus community I WILL:*

- do everything in my power to ensure the academic success of my child (SL)
- ensure that my child is in his/her seat ready for learning by 8:00am every school day (RE)
- ensure that my child is in a clean school uniform at the beginning of every school day (RE)
- provide a quiet place in the home where my child can read, learn, and complete homework (SL)
- ensure the completion of homework, including reviewing and signing the necessary documents (RE)
- initiate communication with my child's teachers when necessary (SL)
- assist my child in problem solving by enabling my child to contact teachers regarding homework (SL)
- attend parent-teacher conferences and other mandatory parent meetings (RE)
- seek out opportunities to partner with my child's school (i.e. volunteering) (SL)
- enforce reasonable bedtimes to ensure adequate sleep (SL)
- notify the school in advance of any necessary absences (each school day; by 9:00 am) (RE)
- ensure my scholar appropriately uses technology to enhance his/her learning (RE)
- support the Biblical foundations of St. Marcus Lutheran School (CF/ BD)

By failing to keep these commitments, your child will eventually lose his/her seat at St. Marcus Lutheran School. Proverbs 22:6 "Train up a child in the way he should go: and when he is old, he will not depart from it."

## D. Field Trip Chaperones

St. Marcus provides extensive opportunities for students to travel outside of the classroom through local field trips and the Discover America program. It is a privilege to learn outside of the classroom.

On occasion, the school relies upon parents/guardians to provide transportation and leadership on field trips. Chaperones are arranged by the classroom teacher or administrator in advance. St. Marcus appreciates the support that chaperones are able to provide and asks that all chaperones adhere to the following expectations:

### Chaperones Behavior Expectations

1. Chaperones are expected to engage with students during the duration of the field trip. To support engagement, we ask that chaperone cell phone usage stays at a minimum.
2. Chaperones are expected to help the classroom teacher uphold St. Marcus expectations and stay with the group at all times. Chaperones do not accompany classes for their own personal benefit but rather to enhance the experience for the students.
3. Chaperones are expected to insist their child stay with the rest of the group and not be given special treatment or conflicting expectations.
4. Inappropriate behavior, conversations, or comments should be reported to a staff member immediately. Only a member of the St. Marcus staff should administer discipline.
5. Distributing candy, gum, or other treats must be done only with the teacher's approval at an appropriate time.

### Transportation Expectations

1. Parent/Guardian drivers will be asked to provide proof of a valid driver's license and insurance.
2. Vehicles transporting students must be in good repair with functioning seat belts.
3. Younger siblings should not accompany parents/guardians unless approved by the teacher.
4. All students must be buckled in appropriately.
5. Small children must be in the back seat according to state law.
6. Speed limits and all traffic laws must be observed at all times.
7. Loud or inappropriate music will not be played with students in the vehicle.
8. Smoking at any time during a field trip, including in a vehicle, is unacceptable.

Please review "Field Trip Expectations" under the "Student Expectations" section for expectations specific to students.

The payments will be due by the 15<sup>th</sup> of each month from September through May. If a parent/guardian misses a tuition payment, the child will be suspended from school.

## C. Aftercare

For the convenience of our families, after care is provided for a nominal fee on school days until 5:30 p.m. Parents will be billed monthly for aftercare charges. The following rules apply to aftercare usage:

1. **Rates:** \$5 per day from 3:45 p.m. - 5:30 p.m.
2. **Late Pickup:** After 5:30 p.m. the charge is \$1 per minute, per child, until 6:00 p.m. Note: Whenever there is no aftercare (i.e. school is dismissing early for a break), late pickup charges will be \$1 per minute per child 30 minutes after the scheduled school dismissal time.
3. Parent's account balance (amount owed) must be below \$100 to use aftercare for their children. This includes outstanding accounts from prior school years.
4. Children picked up after 6:00 p.m. or children using aftercare who are on the "no-aftercare list" will be referred to an administrator.
5. Students on the "no-aftercare list" for any reason, including unpaid bills, who are picked up more than 15 minutes after 5:30 p.m. will be suspended the following school day for late pickup.

## D. Breakfast & Lunch

We have again applied for the Federal free breakfast/lunch program. This allows all our children to receive free breakfast and lunch regardless of income. Please note that the State of Wisconsin still requires that all families fill out an Alternate Household Income form regardless of income.

**STUDENTS WILL NOT BE ABLE TO ATTEND CLASS UNTIL AN ACCURATELY  
COMPLETED "ALTERNATE HOUSEHOLD INCOME FORM" IS RECEIVED and  
VERIFIED BY THE BUSINESS OFFICE.**

## E. Uniform & Tie Costs

Per the St. Marcus Covenant, parents/guardians are expected to ensure that their child arrives at school in a clean, proper school uniform. Please see the appropriate [Kindergarten, Primary Grades, or Middle School] Addendum for uniform policy, procedures and consequences.

Students may purchase a uniform tie for \$5, or an honor roll / high honor roll / leadership tie for \$10 by the following methods:

1. Exact change cash payments are accepted at any front office
2. Cash or credit card payments are accepted in the business office (bring receipt to front office to redeem the item)
3. Purchase a tie using a credit balance (only available to those who maintain an account with a positive balance; must bring receipt to front office to redeem item)

## IV. Student Health

### A. Student Medications

It is the school's preference that medications be administered at home before a student arrives at school. As circumstances do arise during the school day a parent/guardian may authorize St. Marcus to administer medication when necessary. The School Nurse, with assistance from the office staff, will monitor medication administration and parents must follow this procedure. There will be no exceptions.

#### Prescription Medication Expectations

1. A "Prescription Medication Permission Form" must be on file in the office. The form will be available during the home visit and is also available in the school offices. **A physician or other professional healthcare provider's signature is required.** For insulin administration, orders come directly to school from Children's Hospital (once we have those, you will not need to fill out a separate form).
2. Each medication must be labeled with the student's name, birth date & administration directions. Inhalers must have spacers.
3. A new form is filled out each school year or if there is an adjustment to the medication (i.e. a change in dosage or frequency).
4. Medications must be taken home at the end of each school year.

#### Non-Prescription Medication Expectations

Occasionally students present minor symptoms during the school day which affect their ability to focus and learn in the classroom. Students with symptoms such as these may be given the below non-prescription medication(s) as deemed necessary by a St. Marcus staff member:

Name of Medication (Generic / Trade Name)	Strength / Dosage	Common reasons to administer
Ibuprofen / Advil	Age / Weight based	Headache / Aches / Cramps / Fever
Acetaminophen / Tylenol	Age / Weight based	Headache / Aches / Cramps / Fever
Hydrocortisone Cream	Topical (on the skin)	Rash / Insect Bite
Antibiotic Ointment / Neosporin	Topical (on the skin)	Minor Cut / Scrape

If a student refuses to take the non-prescription medication offered, St. Marcus staff will not force him/her to do so. At the time of school year enrollment, parents/guardians are given the opportunity to object to the occasional distribution of non-prescription medication, as deemed necessary. If a parent cannot remember whether they objected, the parent/guardian must reach out directly to the School Nurse. In order to prevent loss of learning time and to ensure a student feels well physically, having permission prevents delaying treatment, however we respect each parent's decision in this regard.

If preferred, the School Nurse or the student's teacher will call the parent/guardian each time medication is necessary. The teacher or school nurse must speak to the appropriate adult; consent may not be transmitted by the student.

If a parent/guardian has specific non-prescription medications their child needs regularly, the medication must be labeled with the student's name, birthdate & instructions and brought to the School Nurse's Office.

Medication administrations will be documented in Skyward.

## B. Student Breakfast

The school provides an opportunity for students to have breakfast upon arrival at school in the morning. In order to best take advantage of this opportunity, students should arrive at school by 7:30 a.m. Breakfast is served at the following times:

Main Campus K4 - 4th Grade & All North Campus: 7:30 a.m. - 7:50 a.m.

Main Campus Middle School: 7:30 a.m. - 7:45 a.m.

Please see the "Fees and Costs" section for notes about the cost of meals provided by St. Marcus.

## C. Student Nutrition: Hot Lunch, Cold Lunch & Celebrations

The U.S. Department of Health & Human Services reports that overweight and obese children are significant health problems in the United States. The number of adolescents who are overweight has tripled since 1980 and the prevalence among younger children has more than doubled. Reference:

<http://aspe.hhs.gov/health/reports/childobesity>

To respond to the fact that nearly one third of children and youth in the United States are overweight or obese, St. Marcus has made a commitment to:

1. Work with our food service staff to provide healthy well-balanced meals (breakfast and lunch)
2. Restrict lunch to the following healthy options:
3. School lunch program (no additional food from home is necessary)
4. Healthy, well-balanced lunch prepared at home (refrigeration or microwave not available)

School lunch policies are developed to ensure that students have some choice, that all choices are nutritious and lunch can be fitted into a 20 minute time slot.

**Hot Lunch:** All St. Marcus students have the opportunity to receive a free hot lunch provided by the school's food service provider.

**Cold Lunch:** Students may opt to bring in a cold lunch from home. Please note that the school does not provide students with access to refrigerators or a microwave. Food brought from home must be a healthy and balanced meal. Students are not permitted to eat fast food meals. These should not be brought to or delivered to school. Please contact your child's dean for special food consideration.

**Celebrations (Birthdays, etc.):** Parents may celebrate student birthdays with special food but for the sake of equity and fairness, parents must follow these guidelines:

1. inform the Dean of Students that you will be bringing in food for the celebration on the day of the celebration;
2. please make sure that the food arrives before the child's lunch period (lunch periods are only 20 minutes);
3. please do not bring balloons, table cloths or other party stuff;
4. parents may provide either pizza and juice OR cupcakes / cake and juice but not both.

**Please note that due to the intensity of the school day and lesson planning, etc, the school cannot accommodate birthday food that is delivered after the child's lunch period.**

## D. Food Allergies

Students with a food allergy or any medical or special dietary need that restricts the child's diet should be reported to the school. A parent/guardian should note on their registration paperwork each year whether they have an allergy that requires special accommodations.

## E. School Nurse

St. Marcus has a school nurse, Monday through Friday, who spends time at both campuses. The School Nurse is an RN who doesn't prescribe medication or diagnose disease, but will see students in her office for assessment of acute problems [like an injury, severe pain or wheezing] that occur while at school. Children need permission from their teacher in order to be seen.

### Sick or Injured Students

When a child is sick during the day the nurse will help determine if he/she needs to go home or be seen by a healthcare provider. The RN will always try to contact the parent/guardian if any treatment or follow up is needed for the illness or injury.

### Yearly Screening

Along with the St. Marcus Parish Nurses, the school nurse helps provide yearly health screenings for vision and hearing in certain grade levels. Parents/guardians are informed of any abnormal findings and referrals.

### Health Education

Health literacy is very important for children and families in order to promote healthy lifestyle habits, and the nurse will be working with teachers to have health education in classrooms. She communicates with parents and teachers, making sure that our staff is aware of any ongoing health issues with students and how to manage them. She ensures that plans of care and medications are on hand so that a child is safe and at their best health at school.

## F. Immunization Requirements

St. Marcus school requires parents to bring a current immunization record before the FIRST DAY OF SCHOOL at K3, K4, K5, and 6th grade, or if the student is new. The immunization record will need to be produced during February enrollment each school year. As of January 2016, if the school is under 99% compliance with this law, Wisconsin requires non-compliant children to be excluded from school. A child who is in 6th grade or older and does not have up to date immunizations or filled out a waiver is denied the privilege of going on any field trips or participating in any extra-curricular activities including sports, choirs, etc. until the required immunizations are complete.

The school nurse checks every student's immunization records and does mandatory reporting to the Milwaukee Health Department if students are behind. Our goal is that every student be fully immunized against preventable and life-threatening diseases as recommended by the CDC.

## G. School Counseling Program

The Counseling Office at St. Marcus School provides a variety of counseling related services to students and their families at all grade levels. Counseling services may be able to be provided during the school day to students who could benefit from counseling support, as identified by a staff member, parent/guardian, or

through self-referral. Counseling services may include, but are not limited to: individual counseling, group counseling, classroom lessons, and communication with necessary staff, parents, and/or community service agencies. Counselors may assist the student in the following areas: family changes, developing organizational skills, work habits and problem solving techniques, improving self-concept, developing appropriate social skills, and understanding emotional growth. As a parent/guardian, you have the right to examine the materials used by the Counseling Office and to communicate with your child's counselor regarding their individual progress or concerns.

If you are interested in more information about the Counseling Office and the services provided, please contact Rebecca Hannemann, Director of Student Services - Email: [rebecca.hannemann@stmarcus.org](mailto:rebecca.hannemann@stmarcus.org) or call the school at (414) 562-3163.

## V. The School Day

### A. Attendance Expectations

#### ATTENDANCE QUICK TIP

**If your child is going to be absent follow “Reporting Absences” procedure before 9:00 a.m.**  
Failure to report an absence results in an Unexcused marking (“U”) on the attendance report, which you want to avoid. See “Absences” section for details.

The Wisconsin Board of Education requires all students enrolled at St. Marcus Lutheran School to attend school regularly in accordance with the laws of the state. St. Marcus takes daily attendance seriously, resulting in an average 96% attendance rate last school year.

### B. Absences

Under Wisconsin’s “Missing Child Law”, parents or guardians must notify the school office any morning their child is not attending. St. Marcus requires parents/guardians to contact the **school office before 9:00 a.m.** if their child is going to be absent with a valid reason for absence. Those who fail to do so will receive a “U” (unexcused) marking and a phone call from an administrator before their child returns to school.

**On the third occasion that a parent fails to report their child absent, the student will be placed on an attendance contract. Failure to abide by the attendance contract can result in the loss of a student’s seat at St. Marcus.**

#### Reporting Absences

St. Marcus staff devote countless hours to tracking absent students who have not been called in by parents/guardians. Here is the proper procedure to report an absence:

1. **When:** Report the absence to the office by 9:00 a.m.
2. **How:** There are two options for you to report a student absent, but remember to include all content stated below and do so by 9:00 a.m. to avoid receiving an “unexcused” marking.
  - a. **Call** the school front office and follow prompts to leave a voicemail or to speak to a person:  
Main Campus (414) 562-3163 or North Campus (414) 539-4843.
  - b. **Email** the correct front office based on the student’s grade.
    - i. North Campus: [TNCattendance@stmarcus.org](mailto:TNCattendance@stmarcus.org)

ii. Main Campus: [MCattendance@stmarcus.org](mailto:MCattendance@stmarcus.org)

3. **What to Include:**
  - a. Reason for Absence
  - b. Student(s) Name(s)
  - c. Grade Level(s)
  - d. Teacher(s) or Advisor(s) Name(s)
4. **Advising the teacher:** A conversation with a teacher (voicemail, email, text, etc.) about an absence does not replace a call or email to the office for attendance reporting purposes. While it may be helpful to let the teacher know, you still need to call or email the office.

## Excused Absences

A valid reason for being absent from school may be approved for one or more of the following reasons or conditions:

1. **Personal Illness:** Parents or guardians must call or email the office each morning by 9:00 a.m. that their child is home ill. If the child is absent for three or more consecutive days, the school requires a doctor's excuse.
2. **Death of a Relative or Family Emergency:** Parents or guardians must contact the school office to explain the situation and estimated time of absence from school.
3. **Professional Appointments:** We strongly encourage families to schedule medical, dental, legal, and other necessary appointments outside of school hours. If this is not possible, the parent/guardian must follow the same procedure to report the absence. If it will be a **late drop off (excused tardy-late) or early pickup**, please see appropriate sections for how to request these arrangements. Finally, a doctor's excuse should be given to the front office upon the child's return to school.

## Unexcused Absences

A "U" is given for the reasons listed below and appears on a student's permanent school record.

1. **Late Reporting:** A parent does not report the absence before 9:00 a.m. on the day of the absence. *When a student has an "unexcused" absence as of 9:00 a.m., the absence remains unexcused even if a valid excuse is provided at a later time. The reason for this is that school staff have already spent a considerable amount of time to locate the child and attendance has been reported.*
2. **Lack of Documentation:** The parent does not bring a required doctor's excuse for a personal illness that lasts three or more consecutive days, or for a professional appointment.
3. **Invalid Reason:** The student is absent from school for any reason other than those listed as an excusable reason, or when a reason is not provided at time of reporting.

## Attendance Contracts

Consequences for attendance related issues may result in a student being placed on an Attendance Contract. Students will be placed on an Attendance Contract for any of the following reasons:

1. A total of 15 or more absences (excused or unexcused) over the course of the school year. (Extended medical absences are taken into consideration).
2. Three or more unexcused absences during any one quarter.
3. Six or more tardy-lates during any one quarter.
4. An extended (5 days or more) unexcused absence.

Failure to abide by the attendance contract can result in a student not being able to return the following school year, or in extreme cases, loss of seat at St. Marcus. Parents may appeal the consequences of a contract to the School Council within 5 calendar days of the consequence. Students who have extended

absences without turning in a valid excuse will not be permitted to return to class until a parent or guardian has contacted an administrator.

## Make-up Work for Absences

An absence from school for one or several days does not excuse students from their responsibilities in the classroom. With an excused absence, students will be given the same number of days they were absent to make up missed work. When returning to school, students are expected to find out what work was missed and when the work needs to be completed. All makeup tests will be scheduled at a time designated by the teacher. It is the student's responsibility to inquire about classwork and homework to ensure that it is made up.

## C. Early Pickups

To ensure our students' success, teachers must stick to their schedules. Further, K3-K5 students take a much needed nap and upper grade students transfer classroom locations and teachers throughout the day. Our Administrators are also working directly with students and staff to keep all successful in the classroom.

A student picked up before normal dismissal times, particularly within 30 minutes of dismissal times, disrupts teachers and all students in the classrooms. **It takes approximately 30 minutes** to handle an early pickup request and takes longer if you are also asking for homework or showing up unannounced.

However, we understand that there are times when an early pickup is necessary. Please follow the procedure below in order to request an early pickup.

### Requests for Early Pickup

1. **When:** Please call by 9:00 a.m. and also note that the school is unable to accommodate an early pickup request made after 12:00 p.m. See "Unexcused Early Pickup" section below.
2. **How:** Please only call (no email) for an early pickup request, as there are many moving parts and people involved to accommodate the request. Be sure to include a valid reason as defined in the "Excused Early Pickups" section below.

### Early Pickup Procedure

1. **Location:** Students must wait inside of the school office for their safety; they will not be permitted to leave the building without the adult picking them up.
2. **Sign Out & Sign In:** The adult picking up the student must be physically present to sign out the student at the desk. The student must sign back in upon return, if returning the same day.

### Excused Early Pickups

The following may be excused when the proper procedure is followed for requesting an early pickup:

1. Professional appointments that cannot take place outside of school hours
2. Crisis with student or an immediate family member
3. Severe illness of student or an immediate family member
4. Death in the family

## Unexcused Early Pickups

1. **Transportation or childcare issues** are not considered a valid reason for early pickup. Under such circumstances, parents/guardians should contact school administration (Director, Dean or Principal) for assistance in finding a solution to the problem.
2. **Unannounced or Last-minute Requests:** The school is unable to accommodate requests made after 12:00 p.m. or when someone shows up unannounced. As mentioned previously, it is particularly problematic when the pickup time is within the final 30 minutes of the day. Under extreme circumstances where a last-minute early pickup is necessary, the front office will contact an Administrator to handle the request. Please remember that it may take about 30 minutes to process even a valid urgent request, as administrators and teachers are working hard to focus on the success of students.
3. **Undocumented Professional Appointments:** A professional excuse must be given to the front office upon the child's return to school, or the early pickup may be deemed unexcused.

## Attendance Contract

Consequences for not following Early Pickup procedures may result in the student being placed on an Attendance Contract. Please review the "Attendance Contract" section under the Absence section.

## D. Drop-off & Before Care

Getting children to school early reinforces the value of being on time, and allows students to start their day by getting organized without stress . Thank you for your diligence in getting your scholars to school on time for learning! For the convenience of our families, before care is provided outside, weather permitting, at no charge. Students in before care are brought inside when the "real feel" temperature falls below 15°F [as reported by local weather stations].

6:30 a.m. Main Campus before care begins - drop off at the Middle School Parking Lot on Palmer Street.\*  
7:00 a.m. North Campus before care begins - drop off is at Main Entrance and held in the Cafeteria  
7:30 a.m. Main Campus students enter the building with a teacher or when an administrator is at the door.\*\*  
8:00 a.m. School day officially begins - please review "Timeliness and Tardiness Procedures".

MAIN CAMPUS: Before 7:30 a.m. no students are permitted to enter the building. A staff member will stand at the door to let a student in the building if before care has to move to an indoor location due to inclement weather.

If a special arrangement is made with a teacher, students who need assistance or need to study before school may be inside with their teacher before 7:30 a.m.

## E. Aftercare

Aftercare is a service for parents of St. Marcus. At a minimal fee, aftercare offers a secure, positive setting for your scholar after school while waiting for their transportation. Please see the "Fees & Costs" section for aftercare rates, policies and billing information. Note there are charges and potential consequences regarding late pickup: see "Late pickup" and "Billing" sections for more details.

Aftercare is provided Monday-Friday starting at 3:45 p.m. and ending at 5:30 p.m. For safety and accountability purposes, ALL students must be signed in. Snacks are provided for aftercare. It is imperative

that ALL scholars are signed out by a parent/guardian. In special circumstances, a middle school sibling that has obtained a designated pass, will be permitted to sign a younger sibling out of aftercare.

## F. Timeliness & Tardiness

### TIMELINESS & TARDINESS QUICK TIP

**Arrive at school by 7:30 a.m. and tardiness will never be an issue!**  
Do not try to rush in at 7:58 a.m. - it does not work.

In order to be on time, students must be **seated in their desks and ready to begin work by 8:00 a.m.** There are several tasks students must accomplish before being seated at their desks: get to their classroom, take off coats (and during wintertime, boots, hats, mittens, etc.) and change into uniform shoes, turn in homework, and eat breakfast if desired. For these reasons, parents/guardians are encouraged to consider 7:30 a.m. as the start of school so that their children have plenty of time to get ready and not be tardy. There are two types of tardies at St. Marcus School: "tardy-late (TL)" and "tardy-not ready (TNR)".

### Tardy-Late ("TL")

This policy applies to all students in grades K4-8th grades. Tardy-late is when a student arrives at school after 8:00 a.m., or so close to 8:00 a.m. that he/she is not able to be ready for instruction that begins at 8:00 a.m. in each classroom. Bringing your child to school on time is the responsibility of the parents/guardians.

1. **TL Policy:** Students receive a "tardy-late (TL)" whenever they are not at their desks ready to learn by 8:00 a.m., unless the parent notified the school of a pre-scheduled appointment as outlined above. The school does not make a distinction between over-sleeping, bad traffic, flat tires, missed ride, etc. Tardy is tardy, but we understand that life happens, so there are no real consequences for the first four tardies per quarter.
2. **Excusing a tardy:** A good reason for the tardy is always appreciated, but there is no distinction between a good reason and a bad reason. The only exception is a regularly scheduled appointment or an appointment that is pre-scheduled and the school is notified at least one day in advance. Please review the "Reporting Absences" section, under the Attendance section of this handbook on the various ways you can report a tardy.
3. **Tardy-Late Consequences:** Upon the fifth TL, parents/guardians will be contacted by an administrator to:
  - a. Work together to strategize a solution to the tardiness;
  - b. The parent/guardian will be asked to make a commitment to arrive at or before 7:30 a.m. for the remainder of the quarter;
  - c. The student will be placed on an attendance contract for the remainder of the school year. If parents and students do not abide by the contract, the child could lose his / her seat for the following school year. In extreme circumstances, the child might be removed from St. Marcus at semester.

### Tardy-Not Ready ("TNR"): 2nd - 8th Grade Only

1. **TNR Policy:** A "tardy-not ready (TNR)" is marked when a student in 2nd - 8th grade is not ready for instruction to begin at 8:00 a.m. (does not apply to K3 - 1st graders). Being ready to begin learning at 8:00 a.m. is the responsibility of the student. Each of our students made a promise when he/she signed the St. Marcus Covenant which reads: "As a student in the St. Marcus community I WILL be seated at my desk and ready to begin learning by 8:00 a.m. every school day." To be ready for instruction, students need to have completed the following:

- a. unpacked book bag
- b. turned in homework
- c. eaten breakfast
- d. have all materials on desk by 8:00 a.m.

## 2. Consequences:

- a. Middle School students receive a demerit for a TNR.
- b. 2nd - 4th grade students are allowed four TNR's at the start of each quarter. The Director or the Dean of Students will send a letter that needs to be signed and returned in your child's folder at the end of each week. Since the responsibility is upon the student to be ready, the consequence is for the student.
- c. Those who develop chronic tardiness issues will be referred to the school council for potential loss of seat. Ultimately, students will be removed from the school if tardiness issues are not resolved.

## G. Dismissal Procedures

### Student Sign-Out

Parents/Guardians, authorized adults or daycare providers must be present to sign out each student. Parents/Guardians picking up children from aftercare must enter the building to sign out their children. Students are not allowed to pick up younger siblings unless they have a sibling pass.

### Daycare Pickup

Main Campus: Students picked up by daycare transportation will be in the hallways just inside Door #4 (Main Entrance within the Main Campus parking lot off North Ave. & Palmer Street).

### School Traffic & Parking

Drop-off and pickup are the most dangerous times of the day for students and the most stressful for the parents / guardians and staff. Many cars are coming and going while children are in the parking lot and near the street. ALWAYS drive slowly around the school, especially in the parking lot and show courtesy to other parents. K3 - 4th grade students will not be allowed to walk across the street alone. Finally, a parking note: During pickup, do NOT double park. A fire station is located one block south of St. Marcus, on Palmer. Drivers and the school can be fined if cars are double-parked.

### Late Pickup

Children who are repeatedly picked up late from school may face suspension. Late pickup is defined as more than 15 minutes after the child's pickup time. This would include 15 minutes after the end of a full, regular school day unless the child qualifies for aftercare services; 15 minutes after the formal end of aftercare; 15 minutes after the end of special or athletic events; other special pickup times.

### Dismissal

**Normal dismissal location is from the outdoor location** as listed in the dismissal tables below. In inclement weather, students will be dismissed from the indoor location (please review the "Inclement Weather" section for more details). Please note that locations may change as needed during the school year. Opt in for parent text messaging **each year**, as updates about dismissal locations will be shared via text. Watch for the Parent Messenger email each summer and attend the Back-to-School meeting for instructions on how to sign up for texts!

Students may only be released from the exact location and time listed. Parents must not go to their child's classroom or pull them from their group while in transition to dismissal location (i.e. hallways, sidewalk, etc.). These procedures are in place to avoid the disruption of the educational process, enable staff to communicate about homework, organize and get students to the dismissal location on time, and ensure the safety of each child.

*Locations are subject to change - please see notes above.*

## H. Inclement Weather & School Closings

### Snow Emergency

If Milwaukee Public Schools (MPS) closes due to a snow emergency, St. Marcus will also be closed.

## Cold Temperatures

Unless media outlets specifically list “St. Marcus”, the school will generally NOT close due to extreme cold temperatures, whether or not MPS has decided to close for this reason. This is due to the fact that fewer than 10% of St. Marcus students walk or take public transportation to school.

### Before Care

Students in before care are only brought inside when the “real feel” temperature falls below 15°F [as reported by local weather stations] for students in 4th grade and under and below 10°F for 5th grade and older.

### Dismissal

Students will dismiss outside whenever possible. However, K4 through 4th grade and all students at the North Campus will dismiss from INSIDE when the “real feel” temperature falls below 15°F [as reported by local weather stations]; 5th through 8th grade Main Campus students will dismiss from INSIDE only when the “real feel” is below 10°F.

### Transportation Issues

When the temperature drops below zero degrees Fahrenheit, students who walk or take public transportation are encouraged to immediately coordinate an alternate, safer plan for transportation. If it is not possible to secure transportation, parents / guardians are encouraged to call the school for assistance and the school will make its best efforts to coordinate rides for those students.

## VI. Student Expectations

### A. Student Commitment: The Covenant

The St. Marcus Covenant is the specific commitment of the Teacher and Administrator, the Parent/Guardian, and the Student to support and uphold the Mission and Core Values of St. Marcus. Noted next to each item of the Covenant is which Core Value that particular pledge upholds.

- **CF: Christ First**
- **SL: Sacrificial Love**
- **BL: Biblical Discipleship**
- **RE: Radical Expectations**

During a home visit, each Parent/Guardian, Student, and Teacher will sign the St. Marcus Covenant. Below is the section that students agree to uphold each school year.

#### *As a student in the St. Marcus community I WILL:*

- do everything in my power to ensure my academic success and that of my fellow students (SL)
- be seated at my desk and ready to begin learning by 8:00am every school day (RE)
- follow the school uniform code and maintain superior appearance (RE)
- complete all homework assignments thoroughly, including necessary signatures (RE)
- utilize technology in appropriate ways to further my learning (RE)
- seek out and find solutions to problems without resorting to excuses (SL)
- strive to exhibit Christ-like behavior in all that I do inside the school building, on social networks, and in my community (CF/ BD)

I understand that by failing to keep these commitments I will eventually lose school privileges and my seat at St. Marcus Lutheran School.

*Colossians 3:23 “Whatever you do, work at it with all your heart, as working for the Lord.”*

## B. Behavioral Standards

“Since God so loved us, we also ought to love one another. No one has ever seen God; but if we love each other, God lives in us and his love is made complete in us.” 1 John 4:11

Behavioral expectations for St. Marcus students are rooted in the school's core values of Christ First, Biblical Discipleship, Sacrificial Love, and Radical Expectations. The purposes of the behavioral expectations are to prepare students for a life of Biblical discipleship in which they are equipped with a deep sense of humility, joy, self-discipline, and service to others. Expectations are intentionally set very high so that students are equipped and prepared for productive lives of service.

When students fall short of behavioral expectations, teachers and staff use Restorative Justice approaches and work to equip students with the five social and emotional competencies for success.

When necessary, in addition to equipping students for success, it is necessary that students face appropriate consequences for their choices. The goal of these consequences is to show students that their choices are inappropriate and unacceptable and must change. Consequence should always be assigned and administered in a calm and productive manner.

## C. Curriculum

St. Marcus Lutheran School has adopted academic standards as a guide for determining whether or not students are mastering standards and meeting grade level outcomes. Copies of standards are available for review in the school offices.

1. Wisconsin Common Core State Standards for English Language Arts, Math and Social Studies
2. Next Generation Science Standards

## D. Student Field Trip Expectations

St. Marcus School provides extensive opportunities for students to travel outside of the classroom through local field trips and the Discover America program. It is a privilege to leave our school to learn outside of the classroom. Students earn this privilege by exhibiting effort in academics and behavior. Students who are not academically, behaviorally, or emotionally prepared to represent their Savior, family and self remain at school to work in another classroom only during the hours of the trip. Remaining at school during field trip hours is not an excuse for an absence.

Students are expected to be in school regardless of their participation on school field trips. Students who are not in school on the day of a field trip without a reasonable excuse, jeopardize their participation in all future field trips.

## E. Public Displays of Affection (PDA)

At St. Marcus, students are expected to exhibit Christ-like behavior in all they do. We understand that feelings of affection may exist between students; however, we expect students to represent themselves and their Savior, especially while on school premises and/or participating in school related activities. We also expect them to be exhibiting behaviors that do not create distractions or uncomfortable situations which

could take away from our students' ability to focus on their studies. Students who engage in displays of affection are subject to disciplinary action such as detention, suspension, or expulsion. Displays of affection include, but are not limited to: holding hands, kissing, excessive hugging, massaging, cuddling, inappropriate touching & caressing.

## F. Prohibited Materials

St. Marcus students are not allowed to have the following items at school:

1. Gum
2. Toys or Trading Cards
3. Weapons: actual weapons, "look-alike" weapons, or anything that could be perceived as a weapon
4. All electronics, including phones and smart devices are prohibited. Please see "Electronics, Cell Phone & Smart Device Policy".

## G. Technology Expectations

### Social Networking

Please monitor your child's activity online and on their apps. St. Marcus encourages the use of technology for instruction and learning. An increasing number of students are engaging in social media (sites such as Facebook, Twitter, Instagram, Flickr, UVVO, KIK, Snapchat, etc.). It is important to note that any negative interactions between St. Marcus students on these social networking sites can result in in-school consequences.

While we encourage parents to restrict access to social media apps, we respect the rights of families to use their own judgment. However, students who are active on social media must understand that engagement in negative posts and interactions on these outlets can lead to consequences in school. The following list is not all inclusive, but are examples of behaviors that can lead to disciplinary measures at school, including suspension or expulsion:

1. The use of sexual language or the posting or distributing of sexual images
2. Any gang-related images or conversations
3. Bullying of any kind or threats of violence
4. Any mention of illegal substances
5. Any inappropriate talk about St. Marcus teachers, school, or other students

### Electronics, Cell Phone & Smart Device Policy

#### The Policy

Due to serious problems with phones and other smart devices (any electronic that has the ability to exchange data via wifi, a cell phone data plan, or bluetooth, etc.), students may not use a phone or smart device on school property, inside or out, between 6:30 a.m. and 5:30 p.m. unless in the immediate vicinity of a parent. If students need to contact a parent, they must talk to the Director, Dean, or their own advisor or own teacher.

#### Consequences

If a student takes a picture on school property, a phone or smart device is visible on the student, a phone or smart device goes off in class or anywhere in the building, or the student is using the phone in any way, the phone or smart device will be confiscated and given to an administrator. The phone or smart device will be only be released to the parent / guardian after they sign the applicable offense form, and follow the related requirements, based on the number of offenses:

1. **First Offense:** Device may be released to parent / guardian as soon as they sign the offense form.
2. **Second Offense:** Device is kept for a minimum of 2 weeks; parent / guardian has a \$50 immediate buy back option before the 2 week period is up.
3. **Third Offense:** Device is kept for the remainder of the semester, or a minimum of 2 weeks if the end of semester is less than 2 weeks away; parent / guardian has a \$50 buy back option *after* two weeks.

#### \*Refusal to Follow Policy

**Students:** Inappropriate behavior using a cell phone or smart device, and/or refusing to give the device to a St. Marcus adult will result in an immediate \$50 buyback option and the phone is kept for two weeks, rather than a warning.

**Parents:** If the parent / guardian chooses not to follow the policy and demands the phone back immediately, the phone will be returned, and the student will be given a five day at-home suspension.

#### Middle School Students: Cell Phone Form

We understand that some of our students travel to school on foot or by bus necessitating the need to have communication with his/her parent/guardian. If your child falls in this category, he or she must turn in the cell phone to the Dean of Students immediately after arriving at school. The cell phone will be locked in the main office and returned at dismissal.

#### All Other Electronics

All other electronics not specifically noted, (i.e. mp3 player, iPod, iPad, tablets, smart watches, etc.) follow the Electronics, Cell Phone & Smart Device Policy

#### Lost or Damaged Electronics

Please be advised that St. Marcus is not responsible for lost or damaged phones, smart devices or other electronic devices.

## H. Fighting, Altercations & Bullying

At St. Marcus, we joyfully put Christ first, others second, and ourselves third in all aspects of our lives. When we live by our Christ First (CF) Core Value, behavior mentioned in this section has no place in our redeemed Christian lives and these are not tolerated at our school. **All mentioned behaviors will be disciplined as seen fit by administration. Discipline can include, but is not limited to, detention, suspension, or expulsion.**

**Age-difference consideration:** At the kindergarten and primary grades levels, children are still in a learning-phase about what types of behavior are appropriate or too rough, and how words can build up or break down others. While students have a safe space to learn these lessons, staff will firmly enforce St. Marcus's high behavioral expectations. Considering this, while kindergarten and primary grades may still be issued consequences, it will be at an appropriate level, on a case-by-case basis. However, at the middle school level, these behaviors will rarely, if ever, be tolerated. Young adults in middle school have a higher, clear understanding of appropriate behavior. It is important that parents/guardians consider these facts when proceeding with reviewing our policies on these matters.

### Fighting

St. Marcus students may not fight with other students from St. Marcus or any other school. Further, "play fighting" can also threaten the safety of the community - students may not play fight.

## Altercations

Any physical contact made with perceived negative intent is prohibited at St. Marcus. Threats, even those expressed without clear intent or means, endanger others and the community. Students must not make threats of any kind.

## Bullying

At St. Marcus, bullying will be defined as any *harmful, repeated* behavior initiated by one or more students and directed toward another student or group of students, in-person, in writing or via social networking.

## Response to Fighting, Altercations & Bullying

St. Marcus is committed to the equitable and swift resolution of these issues. Anyone experiencing, witnessing, suspecting or knowing about any of these behaviors should:

1. **Let the offending student know the behavior needs to STOP.** If the affected student(s) is/are not able to confront the offending student(s) alone, it is crucial to ask another person or adult to help. Witnesses or anyone with knowledge of the behavior(s) are charged with the responsibility to speak up and stand up for the affected student(s), especially if they are unable for any reason to stop the behavior themselves.
2. **Write a detailed account of when, where, and how the situation unfolded, including names of those involved and names of any witnesses, if known.** This is again the responsibility of the student affected or anyone who suspects, has knowledge or witnesses the behavior.
3. **Students need to notify their teacher, or if their teacher is unavailable, any staff member.** As soon as a staff person is notified and has the written account(s), they will notify the appropriate school administrator.

Many considerations and meetings go into this process before next steps or a consequence is decided. Once a decision is made, the administrator will communicate to all parties involved, including each parent/guardian.

*Please see the sections on Suspensions, Expulsions and Harassment for more information on how negative, offensive and other extreme behaviors will be defined and handled.*

## VII. Athletics & Extracurricular Activities

At St. Marcus Lutheran School all extracurricular activities are considered an important part in the student's overall education and learning process. It is very much a privilege and blessing to be able to participate in any extracurricular activity. St. Marcus sponsors many different activities throughout the school year. Information regarding all activities will be passed along through classroom, school newsletters (watch your emails closely) and for the most up-to-date information, visit the Mustangs Athletics website, [www.stmarcus.org/athletics!](http://www.stmarcus.org/athletics)

### A. Athletic Program Mission Statement

St. Marcus Athletics discipiles children for Christ, training their minds, bodies and souls to be faithful stewards of the gifts and talents God has given them.

### B. Teams

The following athletic teams are organized during the school year:

Coed Soccer (5th - 8th grade)  
Girls Volleyball (5th - 8th grade)  
Coed Cross Country (1st - 8th grade)  
Boys Basketball (4th - 8th grade)  
Girls Basketball (4th - 8th grade)  
Wrestling (1st - 8th grade)  
Coed Softball (7th - 8th grade)  
Coed Track and Field (5th - 8th grade)

## C. Eligibility

We believe that representing St. Marcus in extracurriculars is an incredible opportunity and an important responsibility.

### Middle School Eligibility

Middle School students will need to meet the following requirements for participation in St. Marcus Athletics:

**GPA:** Middle School students with a 2.0 GPA or higher are eligible to participate in after school athletics. The check for 2.0 occurs at the beginning of the athletic season and then again the week before the end-of-season tournaments. Furthermore, students may not be failing (receiving an "F") in any classes in order to participate in athletics.

1. Fall Season: September 16 and October 7
2. Winter Season: December 2 and February 3
3. Spring Season: April 27

Students who did not meet the 2.0 check at the beginning of the season may be cleared to participate with a Director or Dean signature. Behavioral and academic deans have the ultimate authority to determine the eligibility of any student.

**Behavior:** The following will apply for any students with behavior concerns

1. If a scholar receives a 1-2 day out of school suspension, the scholar will be ineligible to play during the suspension.
2. If a scholar receives a 3 or more day out of school suspension, the scholar will be ineligible to play during the suspension. The Dean of Students will determine if additional days are warranted in coordination with the Director.
3. If a scholar is on SATIS, he or she will be ineligible to participate in games but is expected to attend practices.
4. Additional behavior or academic situations may warrant ineligibility. This will be determined at the discretion of the Deans and the Director. Coaches may also impose suspensions for behavior that is detrimental to the individual or team in addition to eligibility.

### Primary Grades Eligibility

Students under 5th grade will receive specific information about eligibility throughout the athletic season. Please pay close attention to messages from your Primary Grades Director and Dean.

### School Day Attendance Requirement

In order for a scholar to participate in a game, the scholar must be present at school the day of the game or on Friday if it is a weekend game.

## Student Account Balance Requirement

Families must have a **zero balance** on their invoice or **have a current payment plan in place** in order for scholars to be eligible for St. Marcus' after school activities. Balances from the previous school year do roll over to the current school year. Balances will be checked prior to each athletic season (at the start of the school year, at Fall Break, and at Winter Break) by the Business Office personnel and the Superintendent. Contact the Business Office to establish a payment plan.

## D. Behavior Expectations: Athletes & Spectators

St. Marcus expects each athlete and spectator to be outstanding ambassadors for their Savior, school, and self by demonstrating exceptional Christian character at ALL times. "And whatever you do, whether in word or deed, do it all in the name of the Lord Jesus, giving thanks to God the Father through him." Colossians 3:17.

### Living our Core Values: Home and Away

Athletes and every spectator should treat all facilities, individuals, coaches, and referees at St. Marcus or while visiting another school with complete RESPECT. During any game, yelling at referees or officials will not be tolerated. During basketball season, we ask that players and fans refrain from making noise during free-throws. Failure to honor these guidelines may lead to removal from an athletic facility.

### Adult Supervision

**Students are not allowed to be a spectator on their own.** Every student needs to be with an adult who is willing to take responsibility for the scholar. If he/she is a player, this can be a coach. If he/she is a student spectator, this can be an adult chaperone or staff member. Students need to be with that adult unless they are getting concessions or using the bathroom. Students may not be in the other gym from their adult. If students can't identify the adult or there is not an adult chaperone, those students will be sent home. If they are dishonest about being with an adult, they will receive a detention.

### Electronics / Phones / Smart Devices

Expectations are the same as mentioned in the "Electronics, Cell Phone & Smart Device Policy" in this handbook. Please especially note that students are not permitted to use cell phones or electronic devices unless they are physically with their adult chaperone. After dismissal from school, aftercare or end-of-day school-run activities, since all school programming has ended, students are permitted to use their cell phones. Any students who are not using their cell phones appropriately are subject to having them confiscated per our policy.

### Spectator Dress Code

**School Uniform:** Sporting events are an opportunity to be visible as a community and to be ministering to our community outside of St. Marcus. All students who attend games and/or tournaments on a school day are required to wear their **school uniform**. If students go home and return with their parents, they should either be in their uniform or St. Marcus gear and be neat and tidy.

### Coach Expectations

The men and women who coach are committed to the athletic teams voluntarily. Therefore, the entire coaching staff should be treated with complete respect.

## E. Athlete Commitments

In addition to the policies and expectations outlined in this entire “Athletics & Extracurricular Activities” section, **student and family dedication to the team is required to ensure success in the program(s)**. Families and students are asked to commit to the following:

### Transportation

Parents/Guardians are responsible for providing and/or arranging transportation to and from ALL practices and games.

### Attendance

Students must attend all required meetings, practices, games and tournaments. If a student cannot attend required meetings, practices, games and/or tournaments, he/she must personally excuse him/herself to the coach. Because each child is an important member of his/her team, please be considerate of practice times and games when scheduling professional appointments.

***SIBLING NOTE: Siblings of athletes who have practice outside of the school-day hours will be required to go to before or aftercare. Siblings are not allowed to wait in the gym or in any other unsupervised area without a responsible adult during practices or games.***

### Athlete Dress Code

**School Day Game:** All middle school student athletes are required to wear their school uniform before and after the games played on school days unless otherwise directed by the coach.

**St. Marcus Apparel:** For games played on non-school days (i.e. break days) and weekends, please follow the Coach’s instructions. In general, all athletes are encouraged to wear St. Marcus gear to and from games. While students are also allowed to wear casual clothing, athletes must always appear neat and tidy.

**Exception:** Any sport that requires changing into their uniforms before the game may do so if there are no facilities provided for changing clothes at the fields and directed by the coach.

## VIII. Promotion to the Next Grade or Retention

St. Marcus School is committed to preparing students for college and beyond. We set high standards for our students to reach both academically and behaviorally, and we are committed to supporting students in meeting these standards.

### A. Circumstances

St. Marcus understands that in some cases retention is in the best interest of the student. Retention will be recommended only in circumstances where it will serve the educational and developmental needs of the student. In these circumstances, the following are considered:

1. Behavioral and emotional maturity
2. Attendance record (15 or fewer absences in a school year)
3. Academics
4. Performance on standardized tests

## B. Communication

Teachers will communicate with parents/guardians throughout the school year to discuss retention. Decisions to retain a student are made in consultation with parents/guardians, teachers, and administrators and take into consideration the individual learning and development of each child.

If retention is recommended as the best option for the students, parents will be presented with a retention agreement at the third quarter conference.

# IX. Governing Policies

## A. Mandated Reporters & Child Protective Services

### Summary

Individuals whose employment brings them into contact with children under Wisc. Stat. s.48.981, are required by law to report any suspected, threatened, or risk of abuse or neglect of a child, when seen in the course of their professional duties. ALL SCHOOL EMPLOYEES fall under this code and are considered Mandated Reporters. Mandated Reporters who intentionally fail to report suspected child abuse or neglect, may be fined up to \$1,000 and/or imprisoned up to 6 months. Additionally, a school must allow the Child Protective Services worker to have access to the child. Parental consent is not required to conduct these observations and interviews.

### Reference

<https://dpi.wi.gov/sites/default/files/imce/sspw/doc/sswchildabuse.doc>

### Purpose

The purpose of Wisconsin's Child Protective Services Program is:

1. To protect the health, safety, and welfare of children by encouraging the reporting of suspected child abuse and neglect.
2. To ensure that appropriate protective services are provided to abused and neglected children and their families and to protect children from further harm.
3. To provide support, counseling, and other services as the parent/guardian makes the necessary changes to provide a safe and protected environment for their family.

## B. Denial of Enrollment & Appeals Process

### Denial of Enrollment

Under 119.23(2)(a)(1)(a) a pupil must reside in the city of Milwaukee and meet the income requirements as defined to qualify for the MPCP: The pupil is a member of a family that has a total family income that does not exceed an amount equal to 3.0 times the poverty level determined in accordance with criteria established by the director of the federal office of management and budget. A pupil attending a private school under this section whose family income increases may continue to attend a private school under this section.

119.23(3)(a) states that a school must, "No later than 60 days after the end of the application period...notify each applicant, in writing, whether his or her application has been accepted. If the private school rejects an application, the notice shall include the reason." A school may only reject an applicant for not meeting income and residency requirements. Under St. Marcus Lutheran School's appeals process, a rejected applicant has 5 calendar days from the date of receipt of their notice of rejection to provide written evidence to the school council that the applicant was improperly rejected. The evidence must include income and residency documentation. The school superintendent shall respond to the applicant's appeal within 5 calendar days of receipt of the appeal notifying him / her of the acceptance or rejection of the appeal.

## Appeals Process

When addressing a concern, parents/guardians are encouraged to go directly to the source of their concern before engaging in the appeals process. This is a biblical concept described in the book of Matthew 18:15-17. For example, if a parent or guardian has an issue with a teacher or a support teacher, the parent/guardian is encouraged to go directly to that individual and discuss the matter in private when students are not around.

When concerns are not fully addressed, parents/guardians are encouraged to then contact the relevant director. If that is not successful, parents/guardians may contact the school principal and request a meeting to discuss the issue. The school principal will make a determination regarding the issue.

In the event that the parent/guardian remains dissatisfied, a written appeal may be filed with the school superintendent within 5 calendar days. If the superintendent fails to resolve the situation, the final stage of the appeals process is to file a written appeal with the chairman of the school council. Parents / Guardians are encouraged to submit appeals to the superintendent and chairman of the school council via email and to keep hard or electronic copies of the appeal. The determination of a committee of the school council will be the final determinant.

## C. Harassment Policies

### Sexual Harassment

At St. Marcus we understand sexual harassment to be a form of sexual discrimination that occurs when one person subjects to another person to unwanted sexual attention, coerces him / her into sexual activity, and / or punishes his / her refusal. Sexual harassment may be exhibited verbally (which includes, but is not limited to, propositions, innuendoes, and / or subtle pressure for sexual activity) and / or physically (which includes, but is not limited to, touching, patting, pinching, brushing against another's body, physical assault, rape, or subtle pressure for sexual activity). The accusation of sexual harassment is a serious one, and each case will be given immediate individual attention with the strictest confidentiality imposed. A student should contact his / her teacher, Director, the Dean of Students, and / or the Principal if he / she encounters this problem.

### Verbal Harassment

There shall be no verbal harassment at St. Marcus. Verbal harassment includes threats, gestures, or verbal attacks on persons, including attacks directed at one's racial, ethnic, or religious background, physical or mental disability, appearance, as well as any form of obscene language, swearing, slander, name-calling, or slur. Our school is a place where every one of us must be comfortable and treated with due respect.

### Response to Harassment

St. Marcus is committed to the equitable and swift resolution of harassment issues. Any student or employee experiencing harassment should follow any or all of these measures:

4. Let the offender know you want the behavior to stop. Be clear and direct. Do not apologize.
5. If you are not comfortable confronting the offender alone, ask a friend to accompany you, or write a letter to the offender, keeping a copy.
6. Make a record of when, where, and how you were mistreated; include witnesses (if any), direct quotes, and other evidence.
7. If you are a student, notify a Director, the Dean of Students or Principal. If you are uncomfortable doing so, speak with another adult.
8. If you are an adult, notify a Director, the Dean of Students or Principal.

As soon as possible, the adult notified will report to a Director, the Dean of Students or Principal who will notify the authorities, if necessary. One of the administrators will investigate the matter in a swift and equitable manner and communicate a decision to all parties involved.

## D. Non-Discriminatory Policies

St. Marcus Lutheran School admits students of any race, color, national or ethnic origin to all the rights, privileges, responsibilities, and activities made available to students at school. There is no discrimination in the administration of educational policies, scholarships, grading, athletic programs, or student disciplinary matters.

## E. Non-profit Status

St. Marcus Lutheran School is a nonprofit 501(c)3 organization. If needed, please see the Business Office for an IRS form.

## F. Transfer of Credits

St. Marcus Lutheran School does not use a system of credits. Students will be admitted into their grade level based on information from two sources: (1) the last recorded grade level on their previous school's report card, and (2) results from internal testing following student admission.

Completion of a grade at another school does not guarantee admission into the next grade level.

## G. Access to the Classroom

Parents/Guardians are welcome and encouraged to be engaged in each child's education, including school activities and observing in the classroom. Parents/Guardians must sign in at the front office and wear a guest pass. Cell phone use in the classroom and hallways is prohibited. Parents/Guardians may visit their children's classes provided that the visit is scheduled in advance or the parent has received permission from an administrator. Any celebratory visits (birthdays, etc.) must be scheduled with an administrator in advance and should take place during the student's scheduled lunch period. The school administration is committed to providing teachers with advance notice of guests in the classroom. This is done not only as an added security measure and courtesy to teachers, but also to ensure that the educational process is not disrupted.

In order to ensure a smooth dismissal and to enable school staff to organize students, assign homework, get children out on time, and ensure that every child is signed out, parents may not collect their children from the classroom or in the hallway but must wait until the class arrives at their dismissal location.

Parents/Guardians may be denied the opportunity to visit a class if the school administration has determined that the parents/guardians' presence has had, is having, or may have a negative impact on the

educational process. This has happened only a limited number of times. When parents/guardians are denied the opportunity to visit a class, they may request to meet with the Superintendent for clarification.

## H. Visitors

All visitors, whether planned or spontaneous, must sign in at the front office to receive a visitor's sticker upon arrival.

We are grateful for parents/guardians being on site as needed to support their child's success in the classroom. Please remember that all areas of the facilities of St. Marcus, inside and outside, are reserved first and foremost for the use by employees of St. Marcus, and other meetings or activities that directly support the school and church as arranged by employees. We ask parents/guardians and all visitors to respect the initial *purpose* of our facilities. Specifically, spaces are not meant for personal use for lounging, socializing or personal business use. Any activities that are not coordinated with your child's teacher or administrator must be specifically requested through a space reservation request, and will be handled by our Outside Events Coordinator. Please call the school office for more information on how to submit a request.

## I. Suspension & Expulsion Procedures

At times, when a student's behavior is particularly disruptive or disrespectful, it becomes necessary to remove students from the academic environment. Such removal is based upon our belief that behavioral and moral development of the individual and the classroom as a whole is of primary importance and crucial for student growth and behavioral improvement. Therefore, we firmly believe in utilizing both in-school and out-of-school suspensions.

The following is a summary of the school-wide baseline in regards to behaviors that could potentially lead to a Suspension or Expulsion. Please note that we understand cases vary based on the age and maturity of children. Considering this fact, it is crucial that each parent/guardian review and understand the applicable Behavior Programs, Policies & Procedures based on whether the student is in our Early Childhood Program (K3), Kindergarten (K4-K5), Primary Grades (1-4), or Middle School (5-8). Please refer to the appropriate Addendum.

### Behaviors

Behaviors which may lead to an in-school or out-of-school suspension include, but are not limited to, the following:

1. Saying "No" to any staff member when asked to do something which is not illegal or immoral
2. Non-verbal defiance
3. Actions displaying blatant disrespect (rolling of eyes, tisking, huffing, etc.)
4. Fighting, altercations or bullying (please review this section under Student Behavior for details)
5. Repeated minor infractions accompanied by a refusal to repent
6. Intentional academic dishonesty
7. Behaviors disrupting instruction (displays of anger, screaming, crying, etc.)
8. Late pickups (these occur when students remain at school more than 15 minutes after the end of aftercare or more than 15 minutes after the end of a normal, full school day when students are not permitted to attend aftercare).

### Suspension Policy

Any school administrator (Superintendent, Principal, Director, Dean) has the authority to suspend students. A suspension is defined as temporary removal from classes and/or school. Suspensions shall be made after the administrator investigates and determines that a suspension is necessary to help any student, further

school purposes, or prevent interference with school operations. Initiation of a suspension may begin immediately or at a certain point of time, at the discretion of the administrator.

The length and type of the suspension (either in-school “ISS” or out-of-school “OSS”) shall be at the discretion of the administrator. If the suspension is to start immediately an administrator will contact the parent/guardian to pick up the student.

The suspension process for any extended suspensions (longer than 3 days) will include the opportunity for a meeting with the concerned administrator, the student and parent / guardian.

In instances of extreme negative behaviors, including but not limited to physical assault, property damage, theft, gang-related activity or the possession of any illegal narcotic or weapon, an immediate out-of-school suspension or expulsion may occur.

## Expulsion/Dismissal Policy

If a student is to face discipline that may result in expulsion (permanent removal from school), the following will occur:

1. Parent/Guardian will be contacted to have the student immediately removed from the campus.
2. A meeting with the appropriate administrator, parent/guardian and student will take place within three school days after the student’s removal from school.
3. After the meeting, the parent/guardian and student will be notified by an administrator of the decision and either the terms for re-entry or permanent expulsion.
4. If the student is permitted to return to St. Marcus: prior to his/her return, a conference with the appropriate administrator must occur, at which time a contract or a statement agreeing to the terms of re-entry may be signed.

## Expulsion/Dismissal Appeals

In order to appeal an expulsion/dismissal the following procedures must be followed by parents / guardians:

1. Parents / Guardians must submit a written complaint to the superintendent within 5 calendar days.
2. The superintendent will respond to the parent or guardian within 3 school days of the submission.
3. If the parent or guardian is dissatisfied with the response of the superintendent, they can submit a written letter of complaint within 3 calendar days of the letter of the superintendent.
  - a. The parent/guardian must address it to the school council and must contain an explanation as to why the problem occurred and a proposed resolution. **In the absence of these items, the appeal will be denied.**
  - b. Following the submission of the letter to the council, the parent/guardian will be advised whether the school council has agreed to hold an appeals hearing or denied the appeal.

The school council has final say concerning the appeals opportunity and decision on expulsion / dismissals.
