5TH GRADE FAMILIES IMPORTANT NOTE: Please see below for more information on your pick up.

Process For Pick Up

- Within each pick up space, areas will be clearly marked with teachers' names
- There will be a limited number of volunteers at each grade level table to help guide you
- Your scholar's materials will be clearly labeled with their name.
- You must check out your materials with the staff member at your grade level table
- If you are receiving a St. Marcus device, you will need to sign an agreement (This may have been done during home visits.)

Your Commitment to Safety

- Please send only 1 person to pick up/drop off for your family. *Possible exception for 5th grade
- Wear a mask while in the building
- Keep 6 feet away from others

Our Commitment to Safety

- Designated areas for each grade level
- Enter/Exit signs clearly posted on doors. Please follow this flow of traffic.
- All teachers/volunteers will be wearing masks

5th Grade Families,

We are so excited for you to be joining our Middle School! We know there are lots of transitions and questions, so to help our 5th graders be successful with the technology, we are having all students come in for a technology tutorial to make sure everything is working and so that they know how to access the most important programs and information.

In order to do this safely, we will maintain social distancing, so all students should wear a mask. On this sign up sheet, please find your scholar's advisor, and sign up for a time to come in for the session. If you would like to join, please add your name to the slot beneath your scholar so that two seats are reserved. Please ensure your scholar is at school at least 10 minutes early for your session so that we can get everything set up. If you have any questions, please contact our Middle School Director, Garrett Mandeville, or 5th Grade Team Lead, LaToya Young.
