

## Science Teacher Kindergarten - Sixth Grade 21-22

### DESCRIPTION:

Kingsley seeks reflective and intentional educators who are looking to contribute to a progressive curriculum and pedagogy. The Elementary (grades K-6) Science Teacher reports directly to the Director of Elementary (DOE) and the Director of Auxiliary Programs. The Elementary Science Teacher is responsible for developing and delivering an inquiry and research-based Science curriculum to all Kindergarten - Sixth Grade students. This curriculum should touch upon multiple Science areas including Earth Science; Human, Plant, and Animal Biology; Physics; and Engineering. Additionally, they will be responsible for working with the Elementary Faculty to integrate Science themes, concepts, skills, and topics with the overarching Elementary curriculum, in all subject areas, thereby expanding the Division's STEAM initiatives.

### Specific duties and responsibilities:

- Develop and deliver an excellent, challenging, and engaging Science curriculum to all K-6 students.
- Assess and monitor the progress of each K-6 student as they participate in Science class and labs, and provide student progress information to parents through progress reports and parent conferences.
- Stay abreast of trends and proven strategies in Science education and STEM programming.
- Communicate and model a high level of interest in Science and STEM education.
- Consistently communicate with K-6 Faculty and the DOE about all students in terms of their academic and social/emotional needs and development.
- Attend regularly scheduled faculty meetings and participate in assigned duties such as Lunch coverage, recess coverage, and arrival and/or dismissal.
