## Project Information

Provide here information about the project you want to apply for the Stud Fund. Take the questions below as starting point. You can also attach a brochure, flyer, poster of something fun with your application on the application page to make it more clear.

Description of your project	What is your project about?
Target of your project	What is the goal of your project?
Target group	What is the targetgroup of your project? How many (TU-)students do you want to reach?
Organisation	Who is responsible for the coördination and execution of the project?
Scope	On which part are you searching for fund?
Motivation	Why needs the Stud Fund to fund your project?
Target group	Who will Stud Fund reach with your project?
Amount	For what amount of fund will you apply (ex. VAT)?
Spending	For what will you use the fund?
Reciprocity	What can the Stud Fund expect in return?

Take into account the space limit of the next fillable pages.
