

Vaco can help.

Vaco provides industry-leading expertise, thought leadership, and innovation helping our clients transform their technology platform and IT delivery models.

IT Advisory

FRACTIONAL CIO

Executive CIO advisor to provide counsel, guidance, and IT navigation services, without making a full-time commitment.

SOFTWARE EVALUATION & SELECTION

Utilizing Vaco's unique and right-sized methodology, evaluate and select software for your ERP, Accounting, or other operational software needs. Because Vaco is agnostic to any software or vendor, our insights and analyses are objective.

INTERIM CIO & IT OPERATIONS MANAGEMENT

Interim CIO or IT Director to provide day-to-day leadership, organizational oversight and IT operations support over a specified period of time.

BUSINESS CONTINUITY PLANNING & DEVELOPMENT

A thorough review of existing Business Continuity, Disaster Recovery, and Incident Response Plans. Identification of factors threatening your business operations and the development of mitigation and response plans.

IT DUE DILIGENCE & INTEGRATION

Assessment of target acquisition's IT environment, profile, and potential IT risks. Development of a systems integration plan, with projected costs and timing.

IT ASSESSMENT & GAP ANALYSIS

Examination and assessment of your current IT landscape, delivery model, and IT risks. Clarifying future state, identifying gaps, and providing recommendations.

IT STRATEGY & ROADMAP DEVELOPMENT

Evaluation and assessment of the entire IT delivery model, to include IT Governance, Organization, Infrastructure, Applications, Risks, and Operations. Craft an IT Strategy and IT Roadmap aligned with business strategy and objectives.

IT COST OPTIMIZATION

Deep examination and recommendations of IT spend, along with business impact analyses on cost reductions. Utilizing a proven framework, we identify waste, spend redundancies, and opportunities for cost optimization.

PMO & PROJECT OVERSIGHT

IT advisory, navigation, and oversight of your Program Management Office or large projects. Provide IT leadership, milestone delivery, and executive-level communications.

IT MANAGED SERVICE PROVIDER SELECTION

Based on your company sector, size, and unique requirements, evaluate and select the IT Managed Service Provider aligned with your IT strategy, needs, affordability, and growth plans.
