

Making Sense of Measurement

August 2021

NEW UPDATE OF ORIGIN APPS NOW AVAILABLE

The new update of Origin APPS is now available for current users on support. [Visit our blog](#). For those who want to learn more about the Origin APP, visit [Origin APPS](#).

NEW UPDATE OF CHECKMATE COMING SOON

A new update of CheckMate is targeted at the end of the 3rd quarter. It is taking us longer as we are adding a new module. Stay tuned! Stay in the know by [subscribing to our blog](#). You will be notified of upcoming update information.

Come visit Origin at CMTS 2021 - booth 2557 - at Canada's national manufacturing technology event, October 4-7.

Get your promo code by clicking the image below.

Origin made the list !

Best Mechanical Engineering Companies in Ontario (2021)

Why Add Balloon Numbers to SOLIDWORKS and How To Do It

The role of balloons is to make the task of finding features and checking measurements easier and faster. Ideally you want the computer to be able to shoulder as much of the drudge work as possible.

(Valid up to
SOLIDWORKS 2021)

With the DimXpert tool in SOLIDWORKS you achieve both goals.

What Our Customers Have to Say

You are Awesome!!!! You Guys always take care of us!!

Thank You! **Kevin Romanowski/ Quality CMM Programmer / Bucher Hydraulics Inc.**

Just so you know...YOU'RE THE BEST!!! In all my years in this industry (like 30+) , I've NEVER had or heard of this level of response and support with software!! And I've been
