And the
battle of
Jericho

from:
Joshua
5-6

Joshua went to talk
to God.

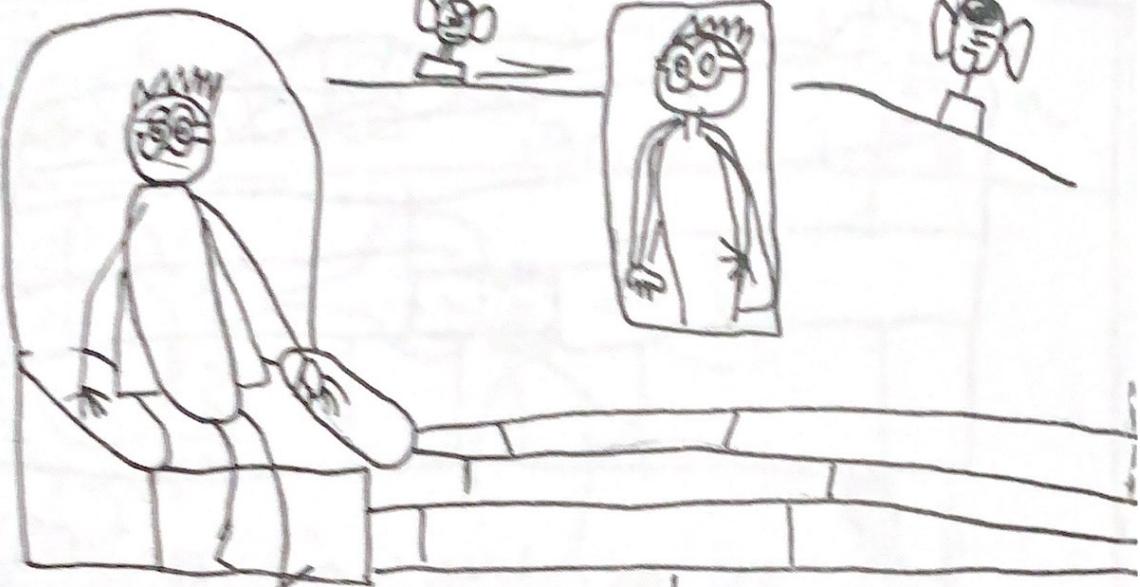

He said, "You and your men will walk around Jericho for six days but on the seventh day some will blow horns and some will scream and the walls will fall."

So they did as the Lord asked them to do.

So they invaded Jericho but protected Rahab and her family.

New challenge: disaster scene

This month we are building disasters! (I made a Volcano)! I would also like to encourage you not to do sets for this but it is fine if you do.

Naaman had a terrible disease called leprosy. He went to Elisha. His servant told Naaman to wash in the Jordan River 7 times. But Naaman didn't. His servant said, "Why did you not wash in the river?" So Naaman went back and washed in the river and immediately he was better. It was a miracle.
