FIRMS THAT DELIVER

Congratulations to your company on being named a Clutch Global Leader in 2020. I'm excited to welcome you into this exclusive group of the top B2B service providers from around the world.

For the past 7 years, Clutch has encouraged B2B companies to showcase their services and collect client reviews to build trust and connect with potential customers. In this particularly challenging year, we have been inspired by the extraordinary ways businesses have gone above and beyond to support their employees and clients. You have exemplified a growth mindset and demonstrated incredible empathy and grit in the face of uncertainty.

Since I founded Clutch in 2013, our team has grown to more than 80 employees; we've attracted more than 700,000 unique website visitors each month; and we've partnered with organizations from Argentina to China. We're excited to continue to improve and build the best platform for you to connect with customers.

As a Clutch Global Leader, you represent the top tier of service providers on our platform. Your expertise, array of clientele and projects, and customer-centric project management and communication, established your company as a leader in the global B2B market.

Congratulations on your achievement, and we look forward to continuing to highlight your success as our partnership grows.
