TIME SHARE RESORTS AND VACATION CLUBS

CRAFTED FOR THOSE WHO LIVE DESIGN

Charter Furniture lives design each and every day, alongside and in step with designers, purchasing agents, ownership groups and brands. It is our ability and everyday goal, to ensure that communication, coordination and daily management of every order receives the personal attention it deserves. As Time-Share and Vacation Club renovation projects become more and more complex, time-sensitive and budget driven, it is our goal to ensure that we continuously work with project design and procurement team members to ensure our custom products not only look incredible but arrive on time, on budget and perform well.
