

Production Technician (Tumbler Winder)

Eteros Technologies is the creator of the Mobius Trimmer (www.mobiustrimmer.com). We are a dynamic and highly innovative organization with strong core values and a great company culture. We are experiencing rapid growth due to the success of our products. We are a product design and manufacturing company with a focus on high quality, turnkey solutions combined with outstanding customer service. We offer competitive salaries, a great benefits package and room to grow within the Eteros team.

Do you have knack for problem solving and critical thinking? Do you like the consistency of repetitive work? We are looking for a **Production Technician (Tumbler Winder)** to join our team. This position requires a high attention to detail. The successful afternoon shift applicant will be trained for a period of approximately two weeks on the day shift before switching to the afternoon shift. The duties of the job will include:

Duties

- Manufacturing proprietary components for the Mobius
- Monitoring inventory levels

Abilities

- High attention to detail
- Able to solve problems using critical thinking and logic
- Great attitude
- Ability to work alone
- Strong work ethic
- Organized
- Strong verbal and written communication in English

Physical Requirements

- Ability to work with hand tools and power tools
- Ability to lift 50 lbs., stand for extended periods and work under various temperature conditions

Experience

Technical skills can be taught on the job – brains and attitude cannot. We are looking for candidates who can learn quickly, work with a sense of urgency and bring a positive attitude to the workplace. Demonstrate this to us and you're in!

Hourly Wage \$24/hour – \$28/hour, dependent on skills and experience.

Benefits After three months employment, Eteros offers a benefits package that includes the following:

- 80% Coverage for basic dental
- 80% Coverage for most prescription drugs
- Extended Health Benefits
- Life & AD&D Insurance

ESOP After one full year of employment, employees are eligible to participate in the company's Employee Stock Ownership Plan

Job Type Full-time

Hours Afternoon shift (3:30pm – 2:00am) Monday – Thursday

Location Surrey, BC
