

GRADE 12 SUMMER READING 2021

Everything That Rises Must Converge by Flannery O'Connor (ISBN:978-0374504649). This book is a collection of O'Connor's short stories. Students should read all of them.

Students should be prepared to actively discuss the stories during the first week of school and engage in academic work related to the reading.

12th Rhetoric II Summer Reading

Get started on reading and research for Senior Thesis by selecting one book based on the following guidelines:

Three main source requirements for thesis paper:

- One must be from the era BCE
- One must be from an early church father or the Bible itself
- One must be from a widely-read Christian author of the twentieth century.
