**Date:** 01/08/21

### Job Summary

The Carpenter is responsible for providing quality control of daily activities and product assembly. We are a regional construction company specializing in commercial, medical, and multi-family construction.

### Essential Duties & Responsibilities

- Perform basic framing and finish work
- Utilize knowledge of stairway construction, door hanging, and hardware
- Proven track record demonstrating self-motivation and ability to operate independently
- Forecast production schedule
- Maintain a clean, safe, and secure job site
- Regular “on time” attendance
- Able to work Saturdays and possibly Sundays, when needed
- Willing and able to follow directions
- Ethical, honest, and accountable
- Meet milestone dates, floor/roof structure, dry-in etc.
- Ensure quality control of materials and mechanical attachments in accordance with structural design
- Safeguard materials against loss damage and minimize waste
- Maintain daily tool log including, but not limited to, ladders, scaffolds, lasers, calibration, extension cords, and mechanical guards

### Supporting Duties & Responsibilities

- Assist Labor Foreman to forecast long lead items by assessing schedule or accelerating current schedule

### Job Requirements

- ***Education***

High school diploma or equivalent combination of education and experience

- ***Experience***

Minimum of 2 years of carpentry experience

- ***Special Skills***

Requires experience with hand and power tools on a project jobsite, knowledge of proper lifting protocol and able to wear personal protection equipment including eye protection, head protections, reflective outerwear and proper footwear.

- ***Certifications and/or Licenses***

First Aid and CPR trained

### **Physical Requirements**

The physical demands of this job require transporting materials at various job sites, operating equipment/machinery, and performing construction-related tasks on an active construction site. Must be able to lift up to 25 pounds.

### **APPLICATION PROCESS**

Our team members at The Rush Companies have a strong reputation for exercising integrity, good judgment and sound business practices in our dealings with clients, consultants, subcontractors and suppliers. We are committed to selecting only those individuals who share in our loyalties while also maintaining our standards of quality and safety.
