

Make CPAP EASIER

Keep CPAP masks in place and stay comfortable with Contour's CPAP Pillow. Great for side sleepers!

- **CPAP Mask Cutouts** reduce mask contact with the pillow to prevent shifting, leaking, and noise
- **Built In Hose Control** allows the hose to move freely and reduces pulling and tugging on the mask
- **Shoulder Crescent** provides extra room for the shoulder
- **Orthopedic, Contour Curve** supports the head, neck, and spine for proper sleeping posture and improved airflow
- **Plush, Pillow Top and High-Quality Foam** provide durability and comfort

Excellent for back, side, or stomach sleepers and works with all CPAP therapy, masks, and brands

STAND, STACK, OR HANG!

Informative packaging stands out in your store and differentiates this pillow from all the others.

Keep the CPAP Pillow Fresh & Clean with a Custom High Quality Pillowcase

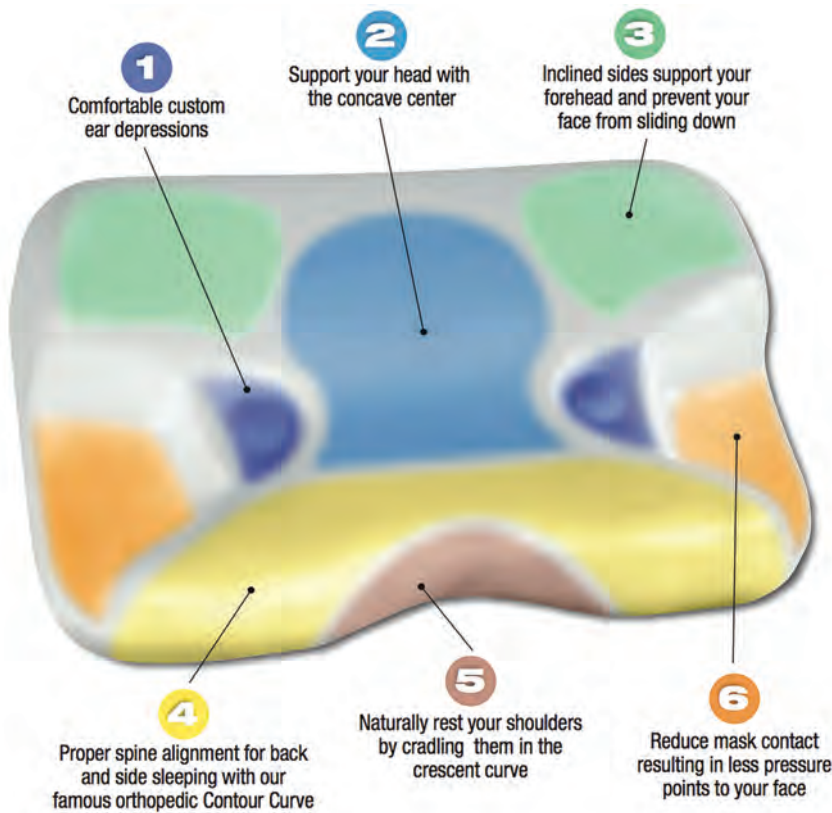

- Unique design fits the curves and shape
- Opening allows easy access to the CPAP hose tether
- Premium 300 thread count, 100% cotton fabric
- Easily removes and is machine washable

Sold Separately

CPAP Pillow 2.0

Deluxe, Super Soft Cover

- Plush pillow top layer and precision-molded foam provide durability and comfort
- Built in Hose Control - Tether the CPAP Hose so that it moves freely throughout the night
- Form-fitting cover enhances comfort
- Easy to remove and machine washable.

BEFORE

Mask shifts and rubs as it comes in contact with an ordinary pillow causing discomfort, leaks, noise, and more.

CPAP hose twists, drags, and pulls on mask.

Lack of support can cause poor sleeping alignment.

AFTER

Custom side cutouts improve mask fit and reduce interference and slippage.

Hose tether keeps weight of the hose from pulling and allows the user to move freely.

Ergonomically designed to provide support for improved positioning and easy breathing.
