

The BackMax is a 4-piece multi-functional wedge system, providing complete back and body support. Doctors often recommend the BackMax® for patients looking for a non-intrusive solution for:

- Post-surgery recovery such as cosmetic and orthopedic procedures, and more
- Digestion issues such as acid reflux, GERD, and hiatal hernias
- Respiratory conditions such as snoring, allergies, flu, and sleep apnea
- Pregnancy symptoms - heartburn, nursing, back pain
- Sore and over-worked muscles from athletic workouts, etc.
- Relaxing and meditating to achieve weightless comfort
- Also perfect for watching TV, reading, and more

### Handy Travel Bag

- Unique design fits the curves and shape
- Easy carry handle
- Water resistant material protects the BackMax®
- Frustration-free zippers

Sold Separately

# BACKMAX<sup>®</sup>

## Multi-position Wedge System

**A 120° angle, “Zero-Gravity Position” is the most relaxed position for the heart, body, and nervous system**

**Doctor Recommended**  
An inclined position helps with digestion, pregnancy, respiratory, circulation, post surgery, and injury recovery

**Pressure Free Support**  
Zero-gravity position provides weightless comfort

**Aids Circulation**  
Elevates legs to the approximate level of the heart to aid proper circulation

**Expandable Length**  
Heavy duty connecting zippers and non skid matting allows users to separate cushions to match their height

**Configure Into A Wide Variety of Positions**  
Unique zippered design provides numerous positions for full body comfort

**Works On Any Surface**  
Can be positioned in bed, on sofa, or floor

**Reduce Stress on Back**  
Elevated torso and knees relieve lower back stress and tension, allowing muscles and ligaments in the lumbar region to relax. Middle and upper back, shoulders, and head are anatomically supported

**Super-Soft Washable Cover**  
Heavy duty cover zippers allow for easy removal of cover

**High Quality and Durable**  
Medical grade, high quality foam is supportive and comfortable
