

Equipment, Service, Parts,  
and Control Solutions

610-444-0333  
1220 Ward Ave, Ste 300  
West Chester, PA 19380  
www.etshvac.com

100% Outside Air Units,  
Vertical/Horizontal Packaged Units  
and Precision Cooling Systems

Specializes in the design, engineering, and  
packaging of commercial, industrial refrigeration  
and cold storage projects worldwide

Shell and Tube Heat Exchangers

Custom-Engineered Air Handling Units

LEED Compatible Packaged Units  
and Split Systems

Corrosion Resistant Fans and  
Laboratory High Plume Dilution  
Exhaust Systems

Fin Tube Radiation, Panel  
Radiators, Custom Enclosures for  
Commercial, Industrial, &  
Institutional

Full line of fan coils, as well as hydronic heating  
products, all proudly made in the USA

The Science of Clean Air.

Providing advanced and affordable solutions that  
optimize air quality, energy consumption, and  
their impact on the environment

Integrated Control Solutions for  
Commercial, Industrial & Critical  
Applications

Customized High Efficiency Energy  
Recovery Systems

Variable Refrigerant Flow (VRF) Ductless Split  
Systems and Ductless Mini Splits

Modular Air Cooled and Water Cooled Chillers

Plate and Frame Heat Exchangers

Maintenance-Free, Dual Bearing,  
Thermally Insulated, Low Leakage  
Aluminum & Stainless Steel  
Dampers

Noise Control | Vibration Isolation | Restraint Systems

Noise Control, Vibration Isolation,  
and Restraint Systems

Custom All Aluminum  
Air Handling Units

Cooling Towers and Closed Circuit Fluid Coolers

Exact-Fit Replacement PTAC's,  
Vertical & Horizontal Fan Coil  
Units and Water Source Heat  
Pumps

Energy Recovery Wheels

Classroom Vertical Packaged Air  
Cooled and Water Cooled Units

Intelligent Controllers, Sensors,  
Electronic Actuators, Actuated  
Valves, Humidifiers, & Electric  
Heaters

GOLD Series Air Handling Units  
with Integral Heat Recovery  
Wheels, Certified as a Passive  
House Component. Active, Passive,  
and VAV Chilled Beams.

High Quality Custom, Semi-Custom,  
and Standard Fans for the  
Commercial and Industrial Markets

Air Handling & Blower Coil Units  
Air Curtain & Air Heaters

Air Filtration Products, Bi-polar Ionization,  
Activated Carbon, Particulate Filters and UV

Variable Frequency Drives and  
Cooling Tower Control Panels

Energy Recovery Focused Air  
Handlers & Custom Air Handling  
Solutions

Solid Separators & Media Systems for  
Open, Closed Circuit, and Remote Sump  
Cooling Tower Loops

VAV Boxes, Single Duct, Dual Duct,  
Parallel Fan Powered and Series  
Fan Powered

Custom and Replacement Packaged  
Rooftop & AHU's; Multizone,  
Single Zone & Energy Recovery  
Systems

An ENGIE company  
Modular Central Plants and  
Modular Pumping Systems

High-Outdoor Air-Cooled DX or  
WSHP Packaged Rooftops with  
Optional Energy Recovery

Noise Control, Vibration Isolation,  
and Restraint Systems
