PeoplePoint™ Plus

The PeoplePoint™ Plus

Delivers the flexibility you need

The PeoplePoint Plus is a feature-packed time tracking device with a sleek 7" display. It offers enhanced functionalities like high-fidelity speakers, a wide-angle camera, and a powerful processor. Its biometric technology improves accuracy, while the spacious screen facilitates easy navigation and effective content delivery to your valuable workforce. Additionally, it ensures that employee data is seamlessly collected and sent to the back-end system for streamlined operations.

With its compatibility with multiple identification technologies and seamless data collection capabilities, it provides a comprehensive solution for efficient workforce management.

Standard features include:

- Linux based
- Freescale iMX6 1GHz Single core
- 7" Widescreen touch display
- Microphone
- eMMC – 8GB storage
