

PROTECTING THE WORLD
FROM THE GROUND UP.

Innovative Composite Construction Matting and Event Flooring Solutions

GROW YOUR BUSINESS WITH VERSATILE, LONG-LASTING, EASY TO INSTALL, COMPOSITE MATTING SYSTEMS

High-quality Products with Proven Performance that Provide a Significant Return on Investment

Expand your product line to increase revenue from construction projects and event productions with ground protections systems that are in high demand. Meet the needs of a wide range of customers in multiple industries with Signature's composite matting solutions.

Engineered for years of reliable reuse, all of Signature's composite matting products are designed to stand up to the rigors of countless projects, providing rental companies with an average return on investment of six to eight months and a steady stream of income for up to 10 years.

- ✓ Proven performance and long life for a profitable return on investment
- ✓ Virgin HDPE composite material is strong, durable and interlocking
- ✓ Reusable without the danger of cross contamination from site-to-site
- ✓ Lightweight, easy to install and easy to clean
- ✓ Designed for simplified handling and lower freight costs

Heavy-duty Staging
and Work Platforms

Heavy-haul Temporary
