

Coach or Bus conversions

Bus or coach conversions are invariably self or DIY conversions (but may involve professional tradesmen for kitchen/gas facilities etc.). Most of the passenger seating will be removed and the living accommodation will be installed on a bespoke basis. With bunk beds fitted a double-decker bus conversion can have as many as 8 berths or more.

As with A-Class motorhomes, windscreen replacement claims costs are significantly higher than Coachbuilt or Panel Van derived motorhomes.
