# Ohio Living Matrix System Orders - Physicians

## Viewing Orders

- The Orders screen shows active orders. If you click on the blue description, you can see all the details of an order. Orders may be sorted by Type (Prescription, General, Lab, and Radiology), Description, Start Date, End Date, and Flow Sheet. The blue flag indicates that it is an Order associated with an Event. Signed has 4 options: Page with Pencil indicates the order is awaiting a paper signature, Page with Pencil and Green check indicates that there is a paper signature on file, **X** indicates that it needs an electronic signature and **✓** indicates that the order has been signed electronically. Orders that are “Linked” have a relationship to each other.
