Viewing Vitals History and Running Vitals Reports

2. The Vitals Reports appear under the Resident Info Section.

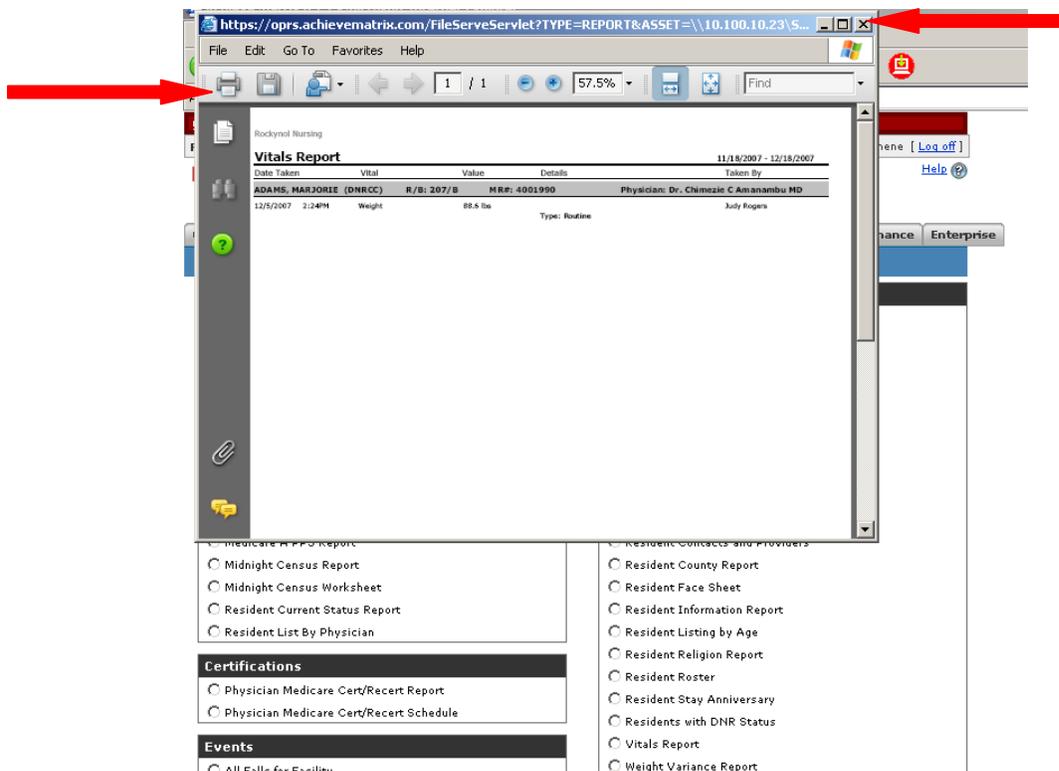

3. The Vitals Report can be run for one resident, selected residents or all residents by completing the report parameters: Date range; Residents (follow the instructions to select specific residents); Units; Vital Signs; Intakes; Outputs (you do not have to select anything in Intakes or Outputs, if you do not want that information); the additional checkboxes; and the Sort Order. Click on Report to run the report.
