Ambulatory Care Nursing

For complete information about this certification, please visit www.nursingworld.org/our-certifications/, then select Ambulatory Care.

ELIGIBILITY CRITERIA

- ▶ Hold a current, active RN license within a state or territory of the United States or the professional, legally recognized equivalent in another country
- ▶ Have practiced the equivalent of 2 years full-time as a registered nurse
- ▶ Have a minimum of 2,000 hours of clinical practice in ambulatory care and/or telehealth nursing within the last 3 years
- ▶ Have completed 30 hours of continuing education in ambulatory care and/or telehealth nursing within the last 3 years

WHAT TO EXPECT

This certification exam is a computer-based test. This means you can apply year-round and test during a 90-day window at a time and location convenient to you. Applications for this certification will be accepted at any time.

This certification exam is made up of 175 questions (150 scored plus 25 pretest questions that are not scored). You can see the subject areas covered on the exam and the approximate number of questions in each area by reading the Test Content Outline, available at www.nursingworld.org/our-certifications/. The time limit for the exam is 3.5 hours.

RENEWAL

After you pass, certification renewal is every 5 years. Between renewals, you can enter and store your professional development credits online as you earn them, making renewal fast and easy! For full renewal requirements, visit www.nursingworld.org/our-certifications/

STUDY AIDS FOR FREE

ANCC provides a variety of resources to help you prepare for your certification exam. Detailed test content outlines, references, and sample questions are available for free at www.nursingworld.org/our-certifications/

HOW TO APPLY

Applying for certification is easy and convenient! Start your application online anytime at www.nursingworld.org/our-certifications/. You can enter the following information at your leisure, save it, and return later to finish the application:

- ▶ Your personal and professional contact information
- ▶ A list of continuing education hours you have earned within the last 3 years (You must have a minimum of 30 continuing education hours in your specialty. You will need the course title, name of sponsor, dates of the offering, and number of contact hours awarded.)
- ▶ Your school names, degrees, and graduation dates
- ▶ Your RN license number, state, and expiration date
- ▶ Your MasterCard, Visa, American Express, or Discover

APPLY ONLINE

Go to the certification page for Ambulatory Care Nursing and click on the button that says "Apply Online" to set up your account or log on to the system. Using the information you collected above, fill out your application and pay by MasterCard, Visa, American Express, or Discover. You can save your information and return to finish at any time.
