

# ANCC CERTIFICATION Success Pays®

Your organization can  
**save an average of 40%**  
in test-taking fees with  
Success Pays®.

## Get and keep more nurses certified with no financial risk!

Help nurses achieve certification. Reduce nurses' test-taking anxiety and eliminate financial barriers with the **ANCC Success Pays®** program.

Success Pays® includes certification by exam, certification renewal, and the retired certified nurse recognition program. Nurses are given two opportunities to achieve certification, and you only pay for the ones who pass.

## Easy as 1-2-3!

1

**Define your organization's success!** Set your certification rate target and determine your minimum order on initial certifications under the **Success Pays program**. There is no minimum or maximum number for certification renewals. ANCC gives your hospital a unique code, which you distribute to nurses. Individual nurses use the code in place of traditional payment methods to apply for one of 18 ANCC nursing certifications.

2

**The nurse takes the test or completes renewal requirements.** When a nurse passes, a fee for the exam or renewal appears on a monthly invoice to your hospital. If a nurse fails the first time, one retest is available at no additional cost. If a nurse fails the retest, your hospital is not charged.

3

**Your organization increases its number of board certified nurses, with no financial risk!**
