

ANCC CERTIFICATION

Easy as 1-2-3 with Success Pays™

1

Define your organization's success! Set your certification rate target and determine your minimum order on initial certifications.

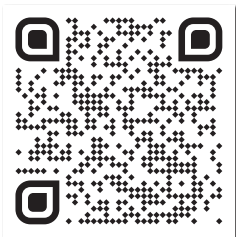

2

Nurses get two chances to pass.

3

ANCC discounts the application fees and bills only for nurses who succeed!

The ANCC Success Pays™ program makes it easier and more affordable to provide nurses in your organization the opportunity to achieve professional certification. Encourage professional development while paying only for the nurses who pass.

Motivate staff to pursue professional certification, eliminate the financial risk, and pass savings on to the nursing team! You can also use Success Pays to renew ANCC certification and acknowledge nurses who retire.
