About Certified Nurses Day™

Certified Nurses Day™ is an annual day of recognition for and by health care leaders dedicated to nursing professionalism, excellence, recognition, and service. Every March 19, employers, certification boards, education facilities, and health care providers celebrate and publicly acknowledge nurses who earn and maintain the highest credentials in their specialty. Certified Nurses Day honors nurses worldwide who contribute to better patient outcomes through national board certification in their specialty.

More than 70 organizations participated in the first Certified Nurses Day by signing the proclamation and sponsoring annual events, including:
- Accreditation Board for Specialty Nursing Certification (ABSNC)
- National Organization for Competency Assurance
- American Nurses Credentialing Center
- Canadian Nurses Association

Certified Nurses Day is the perfect opportunity to invite all nurses to advance their career by choosing certification.

Certified Nurses Day™ occurs every March 19, the birthday of Dr. Margretta “Gretta” Madden Styles, RN, EdD, FAAN, one of the greatest leaders in the field of nursing certification. She recognized the critical importance of credentialing long before broad awareness of its value existed; her work greatly affected the nursing profession. Dr. Styles architected the first comprehensive study of nurse credentialing in the 1970s. She then pioneered the development and implementation of standards and credentials for nurses.

In the 1980s, she spearheaded the definitive work of the International Council of Nurses (ICN) on nursing regulation. Dr. Styles was a driving force behind the creation of the American Nurses Credentialing Center (ANCC); she advanced nurse certification services and programs across the US and abroad.

MARGRETTA STYLES FUND FOR CREDENTIALING RESEARCH

ANCC sponsors research grants to investigate the relationship of nurse credentialing to quality outcomes in health care. The current award is $25,000.

How to Celebrate

Become a success story by using proven strategies and convenient tools to garner visibility and gratitude for the certified nurses in your workplace and community.

CELEBRATION ACTION PLAN

THEMES: PROFESSIONALISM, EXCELLENCE, RECOGNITION, AND SERVICE

EMPLOYERS

Provide public recognition among colleagues and patients

- Issue a press release to local news outlets (newspapers, radio, television).
- Create a nursing honor roll of board-certified nurses. Post in your facility and other public venues.
- Place display ads in newspapers, community newsletters, etc., featuring the nursing honor roll.
- Send a letter of appreciation to each certified nurse in your facility or department.
- Invite certified nurses to lead a certification drive within your facility.
- Sponsor a banquet, tea, or luncheon for certified nurses only.
- Offer gifts, gift certificates, or special bonuses to certified nurses only.
- Provide ribbons and buttons to all certified nurses.
- Display signage throughout your facility to show support for Certified Nurses Day™.

CERTIFIED NURSES

Provide public service to colleagues and patients

- Ask your employer to sponsor education presentations about your specialty for colleagues.
- Deliver presentations at retirement homes, schools, businesses, and other environments where your knowledge and experience will benefit the community.
- Organize a fundraiser, such as a healthy breakfast or car wash, and donate monies to needy populations or the Margretta Styles Fund for Credentialing Research.
- Design a mentoring program in which nurses can share the value of certification, educational opportunities, and career planning, as well as how to uplift morale, increase motivation, and successfully deal with challenges.
- Spread the word! Ensure Certified Nurses Day™ is recognized by the media in your community, by employers, and by your fellow certified nurses.
As part of Certified Nurses Day, ANCC has developed resources to support recognition of certified nurses.

Download and use these assets to craft a consistent and celebratory message to your staff, fellow nurses, and the public.

<Name of Facility> Celebrates Certified Nurses Day on March 19 by Honoring the <# of certified nurses> Board Certified Nurses on Its Staff

<Facility Name> is celebrating Certified Nurses Day, March 19, by honoring its board-certified nurses. The following nurses are being recognized for their professionalism, leadership, and commitment to excellence in patient care:

<Nurse Name # 1> <Specialty Certification(s)>
<Nurse Name # 2> <Specialty Certification(s)>
(and so forth)

Board certification of nurses plays an increasingly important role in the assurance of high standards of care for patients and their loved ones. Nursing, like health care in general, has become increasingly complex. While a registered nurse (RN) license provides entry to general nursing practice, the knowledge-intensive requirements of modern nursing require extensive education, as well as a strong personal commitment to excellence by the nurse.

<Name of facility> encourages national board certification for all its nurses. Patients are encouraged to inquire whether there are certified nurses on staff when they visit a hospital or their primary care provider. There are many nursing certification specialties, such as medical-surgical, pediatric, pain management, cardiac vascular, oncology, hospice, case management, emergency nursing, critical care, and many others. Many nursing certification bodies exist to serve the full range of specialized nursing care offered in the contemporary health care system; national nurse-certifying bodies should be accredited by the Accreditation Board for Specialty Nursing Certification (ABSNC) or the National Organization for Competence Assurance (NOCA).

Please join <Name of facility> and the nation's national nursing certification organizations in honoring those hardworking, dedicated nurses for their professionalism and a job well done!
Sample Recognition Letter

Dear <Name of Nurse>:

I would like to take the opportunity of Certified Nurses Day, which is celebrated on March 19, to express the gratitude and esteem that the management of <name of facility> and I feel for your professionalism and leadership in achieving and maintaining national board certification in your nursing specialty.

Board certification is a key factor in the assurance of minimum standards of knowledge, skills, and abilities in nursing specialty practice and contributes to better patient outcomes. National certification allows nurses to be recognized for competence in their specialty. Thank you, <name of nurse>, for allowing us this opportunity to recognize yours.

*Optional* items and recognition ideas to include in letter (if applicable):

1. We have placed your name on the <name of facility> honor list, displayed in <location in building>.
2. We have placed an advertisement in the <name of local newspaper> recognizing you and your colleagues that are certified.
3. We hope you will accept the attached <gift certificate, chocolate, bonus, specialty certification pin, or other significant item> as a token of our recognition, appreciation, and respect for your professionalism, our way of saying thank you.
4. I would like to take this opportunity to invite you to a <luncheon, tea, banquet, VIP reception with management, etc.> where we will join you in celebrating Certified Nurses Day.

We appreciate what you do to help us continue our growth as health care providers and to always build our skills together to contribute to higher standards of care and better patient outcomes.

With my sincere thanks and regards,

<CNO or other signer’s name>
