

Rate Adjustments Coming in August

Crediting rates are changing August 1 on Guaranty 4 and *RateWise™ Annuity* 5- and 7-year options. The participation rates are also changing on Guaranty Growth Plus.™

For your clients looking for short-term investment options, check out the **Guaranty 4, offering 3%** for 4 years through the end of July.

See the rate bulletin for requirements to get the July rates.
