CO-CHAIRS
Becker’s Healthcare is planning on a hybrid live + virtual experience for those hospital and health system attendees that would prefer to attend from the comfort of their office or home. The Virtual attendees will be providers only (hospitals, health systems or payers), except for the supporting live or virtual sponsors that will have access as well. Virtual attendees can count on at least four live conference streaming sessions per event day. We will focus on the biggest keynote panels and keynoters, along with other terrific providers from top hospitals and health systems. Virtual attendees will have the opportunity to engage with great featured content, virtual focus groups, industry expert led workshops.

To keep up to date on the virtual experience, check out the Annual Meeting website at https://view.ceros.com/beckers-healthcare/2021-11th-annual-meeting.
