

CLOUDVISOR

ON AVERAGE

75%

of your bill and of the decisions you make are at the **compute layer (EC2)**

A network diagram background consisting of several interconnected nodes (circles) of varying shades of blue and grey, connected by thin lines. The nodes are arranged in a non-uniform pattern across the dark blue background.

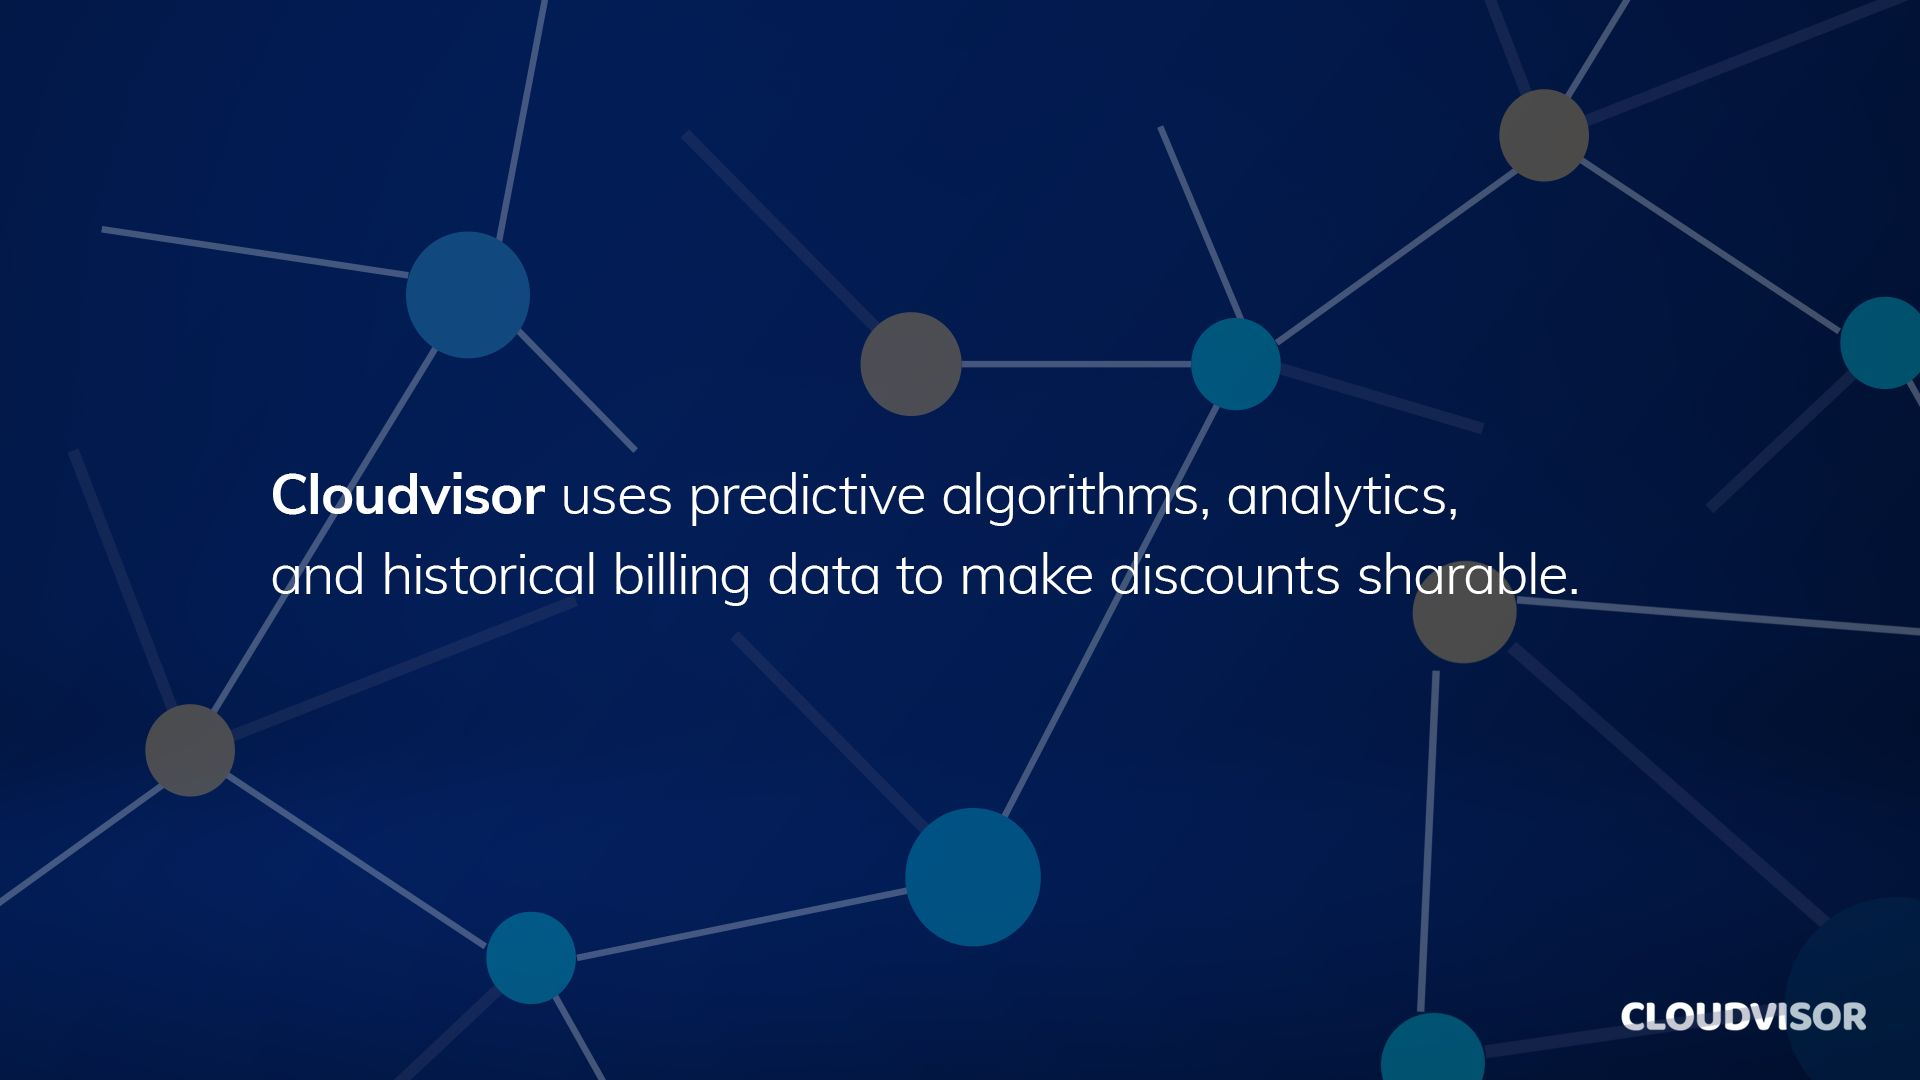

BIGGEST DISCOUNTS
UP TO

72%

given by cloud providers
for 3-year commitment
are **not utilized**.

WITH CLOUDVISOR YOU CAN:

- * **Eliminate commitment**
No need for long-term, upfront commitments
- * **Reduce costs significantly**
Without compromising stability or architecture changes
- * **Benefit from discounts**
All the discount - none of the commitment

A network diagram background consisting of several circular nodes connected by thin lines. The nodes are in shades of blue and grey, and the lines are light grey. The overall style is clean and modern, suggesting a digital or data network.

Cloudvisor uses predictive algorithms, analytics,
and historical billing data to make discounts sharable.

Enterprise and Startups have adopted Cloudvisor because it saves them precious time and money
