Installation Steps

-  Attach front gasket to the device (a) and insert it into the signage (b). Secure the device and signage by attaching the back gasket (c).
-  Mount the standoff screw base with a screw of preferred choice.
-  Have the signage in between two rubber inserts and fasten the external screw to hold the signage on to the wall. Repeat steps 2 and 3 with rest of standoff screws.
-  Attach the charging cable to the device (USB-C) and to the wall plug (USB-A).

Optional Battery: Attach device (USB-C) to charged battery pack (USB-A).
