Supporting employee health is crucial now more than ever. Make sure you have a comprehensive COVID-19 response plan that addresses both physical and mental health.

STRESS & LIFESTYLE MANAGEMENT

Take care of employee mental health through virtual lunch and learns, educational resources, and one-on-one access to health professionals who provide anxiety/stress support.

COVID-19 RESOURCE LIBRARY

Gain access to our resource library that contains downloadable educational content on all things COVID-19. Choose from a variety of topics that pertain to both employers and employees.

SUCCESS STORIES

"As our health partners, we will lean on you for advice. We see you playing a large part in shaping our post-COVID-19 return-to-work policy and playbook."

-TargetCare Client

"Thank you! I love this process so much. And, it gives up the proper documentation we need in the event of an audit or lawsuit."
