

TEEN DRIVING AGREEMENT

DATE: _____ Parent/Guardian: _____ Teen Driver: _____

Driving is the leading cause of death for teenagers in America.

WE ARE THE BEST DRIVING SCHOOL IN NEW ENGLAND AND NOT JUST BECAUSE WE'RE THE LARGEST. IT'S BECAUSE WE HAVE THE BEST TEAM AVAILABLE TO TEACH ANYONE HOW TO DRIVE. IT'S NOT ONLY OUR MISSION TO EDUCATE; IT'S OUR MISSION TO DO IT IN A WAY THAT NO ONE ELSE CAN.

It is our hope at The Next Street that you will join us in our mission. We know that change comes slow in life and that our teen drivers have waited - what feels like their whole life - for the chance to learn to drive. We also know that for parents, there is a certain amount of dread that comes with handing over the keys to a new driver. Agreements such as this are a positive way to address safety concerns and increase the teen drivers awareness of the risks associated with driving.

By entering into this agreement you, the teen driver and the parent or guardian of the teen driver, will agree to the rules that are listed. By agreeing to these rules you will also be agreeing to the consequences should the rules be violated.

The Terms of the agreement:
