

# THE WILDERNESS COLLECTION

INSPIRED BY NATURE

ORTAL®

# ABOUT

Deeply inspired by nature, Ortal has taken the best of the great outdoors, and channeled it to create a new standard of fireside experience.

The Wilderness Collection combines cutting-edge log technology with an idyllic, soothing look that invites quiet contemplation and rich, warm memories.

# THE WILDERNESS BURNERS

At Ortal, we are captivated by the beauty of the flame. In designing Ortal's new Wilderness Burner technology, our R&D team set out to create a flame that blazes from the logs with the look and feel of a genuine campfire. Through several trial models, we've brought this technology to perfection, delivering a luxury fireplace experience like no other.

WILDERNESS BURNER

**DRIFTWOOD**

WILDERNESS  
**TRADITIONAL 36"**

AVAILABLE IN 2021

## WILDERNESS TRADITIONAL 42"

Inspired by the traditional hearth, this warm, inviting unit is placed at floor level. The Wilderness Burner enhances the experience with a classical, realistic beauty. Available in red or tan bricks for the timeless rustic feel, or with glossy black panels for a dramatic modern look that reflects the flame on three sides.

# WILDERNESS **FRONT 31"**

Utilizing the Wilderness Burner, this rectangular fireplace can be embedded in any wall for a sleek, contemporary look.

WILDERNESS  
**THREE SIDED 44" H**

Glowing warmly through one or two clear side panels, this design puts the authentic driftwood campfire logs on display for all to enjoy.

WILDERNESS

**FRONT 44"H**

The driftwood log burner lends this fireplace a powerful, authentic touch of wilderness that will complement any home design.
