

RollKall Simplifies Off-Duty Management for LEAs and Government Entities

Off-duty is integral to many police departments and streamlining the process benefits the officers, the department, government partners and the community at large. RollKall documents every detail of every job, providing insight into off-duty activities and helps mitigate risks. The platform provides easy scheduling that saves time while allowing departments to accommodate more community requests.

Using RollKall Helps Government Entities and Their Communities

Create Stronger Community Business Relationships

- ✓ A streamlined off-duty process makes it easier for law enforcement agencies to work with local businesses, making it easier to find and hire local police officers.
- ✓ More community engagement helps build trust, make officers approachable and opens the line of communication

Gain insights and reporting for compliance and audibility

Monitor off-duty hours and overtime

Get real-time insight into officer hours to better regulate department policy and prevent officer fatigue

Access robust reporting for oversight on job details and officer activities

Help reduce city liability

- ✓ Controls to set department policies and monitor compliance
- ✓ Access to every off-duty job and details
- ✓ Documentation and reporting for easy auditability
- ✓ Access to insurance including general liability, workers' compensation and occupational accident insurance

Your Off-Duty Program Made Easy

Dedicated to law enforcement, RollKall simplifies every aspect of off-duty management so agencies and officers can focus on what's most important: protecting and serving their communities.

Through the RollKall platform and mobile app, you can streamline off-duty management, from scheduling to payment, and all the details in between.

Schedule and fill job requests quickly and easily

Get insight into policy compliance

See all the job details... anytime, anywhere

Expedite invoices and payments

Gain access to general liability, workers comp and occupational accident insurance

Simplify Off-Duty at Every Level

Executive & Command Staff

GAIN OVERSIGHT

- ✓ Executive and command staff can rest easy knowing their agency's off-duty program is running efficiently and in compliance with department policy.
- ✓ Robust reporting provides transparency into every aspect of off-duty and documentation of all hours worked prevents officer fatigue.

Coordinators

SAVE ADMINISTRATIVE HASSLE

- ✓ For the officers scheduling and managing off-duty, RollKall saves time and administrative hassle.
- ✓ Easily post job requests from businesses, assign officers and manage call-offs.
- ✓ Combine all officer, coordinator and department fees in one easy invoice.

Officers

GET MORE OFF-DUTY OPPORTUNITIES

- ✓ RollKall opens up more off-duty opportunities for officers and the mobile app makes applying, working and getting paid fast.
