A Letter from Our CEO

Thank you for joining us for Leadercast SHIFT! Whether you are participating live with us in Cincinnati, at one of our host sites around the world, or watching virtually, it's my pleasure to welcome you to Leadercast and to a community of people working together to fill the world with leaders worth following.

As we emerge from the frustrations and sorrows of a worldwide pandemic, we collectively find ourselves all in the same place: somewhere we never planned to be. Some of us have lost businesses or employment - or more tragically, we've lost loved ones. Others of us have somehow emerged from the pandemic in a better place with more opportunities than we had in 2019. Most of us have experienced both negative and positive outcomes from going through the most unpredictable 18 months of our lifetime.

What this means, is that we are all in a place of transition. We've shifted. Or more accurately, we are all still shifting - shifting our focus, our energy, our goals and our priorities to meet the new world ahead of us.

That's what Leadercast SHIFT is all about. I hope this program is received as a welcome gift to you in a time when you need it most. I wake up everyday with a passion to help leaders like you grow into the person you've always wanted to be. May this event be the catalyst you need to make that shift to unlock your future.

Humbly,
Joe Boyd
CEO, Leadercast
