# shift

Change is constant. Nothing ever goes quite as we planned. If we didn't believe this before 2020, we all know it now. Leaders everywhere are realizing that they must make major shifts in order to move forward to achieve their purpose. Changing directions is hard. It's risky. But it's the only way to get where we need to go. The future will be created by fearless, innovative leaders who have the courage...to shift.

The speakers for this event will be practitioners who have successfully navigated through their own personal and professional shifts. Participants will learn from their experiences the practical insights, purposeful actions and catalytic insights that have the power to transform them into world-changing, visionary team builders.

At Leadercast 2021 - Shift you will get the supercharge you've been needing to leave the status quo behind to discover a better and brighter future. Join us to shift your leadership skills to levels you never thought possible.
