Re: Reasonable and non-discriminatory (RAND) statement

Dear Mr. Kisor,

Sony Corporation (Sony) agrees to grant, under fair, reasonable and non-discriminatory terms and conditions, to any parties, a license under patents owned by Sony that are required to implement the proposed SMPTE Standard for Television-“10 Gb/s Serial Signal/Data Interface” provided that parties obtaining such license from Sony agree to license Sony their patents that are required to implement the above indicated proposed SMPTE Standard under terms and conditions comparable to those contained in the license granted by Sony; provided further that Sony reserves its rights under applicable law to decline to license or continue to license a party commenced or threatened to commence patent litigation against it while such patent litigation or dispute is continuing.

Sincerely yours,

Shinji Ina
