

## Dolby Atmos® Example Speaker Configuration

Note: an actual Dolby Atmos® speaker configuration – the number and size of individual speakers – is dependent on several factors including but not limited to room size, seating arrangement and number and position of sub-woofers.

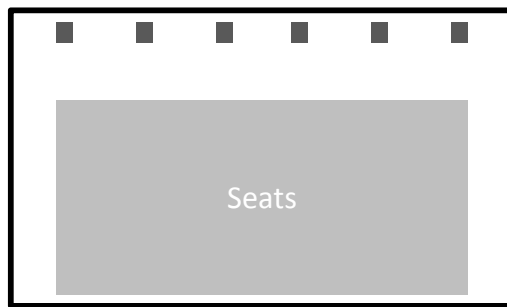

### Dolby Atmos® - Front view

- Gray → Standard Cinema Speaker
- Blue → New speaker for large screens

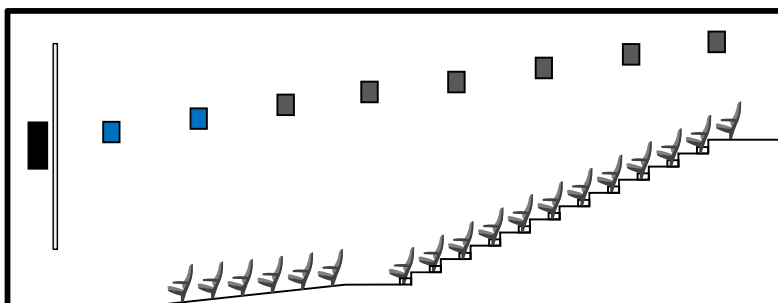

## Dolby Atmos® - Rear view (rear speakers only)

All speakers individually addressable

## Dolby Atmos® - Side view (side speakers shown on one wall)

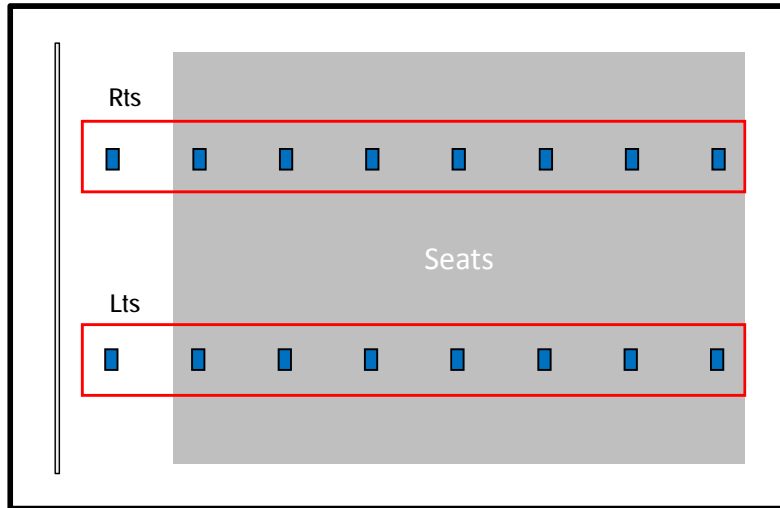

All speakers individually addressable

- Gray → Standard Cinema Speaker
- Blue → New speaker

## Dolby Atmos® - Plan view (top speakers only)

All speakers individually addressable

## Dolby Atmos® - Plan view (main speakers only)

All speakers individually addressable
