MV Thefts from Dealerships

Suspect: Tsosie, Nathaniel DOB: 04/07/1987

Joshua Green DOB: 08/23/1984

Synopsis: On January 6, 2021 Nathaniel Tsosie DOB: 04/07/87 was contacted in a stolen black 2017 Audi S6 in Arvada. He fled in the car from officers, crashed shortly after and then ran on foot and escaped. The car contained a large amount of Methamphetamine, Fentanyl, cash and an AR15 rifle. A Glock .40 caliber handgun was found in the area where he ran. There is currently a Jefferson County warrant issued for him in my case with a bond of \$250,000.00.

The Audi was stolen during a fraudulent test drive from AutoNation Chrysler Jeep West in Golden, CO on 12/15/20. The suspect at the time of the auto theft used the name Timothy when calling the dealership. A person with an ID in the name of Brian Moss arrived for the test drive and filled out the paperwork at the dealership. Brian Moss appears to be the victim of an Identity Theft.

ID's in the names of Timothy Mackey, Thomas Page, Marti Davis and Nathan Soto were found in the vehicle. It is possible that the suspect Joshua Green is the person depicted on the above Timothy Mackey driver's license.

Tsosie committed a similar auto theft of a Ford Raptor at Larry Miller Ford in Lakewood. The stolen black Audi is believed to be involved in the theft of a Dodge Ram from Brandon Dodge in Littleton. This appears to also match other auto theft cases at other car dealerships in the metro area. If you have or need information please contact Det. Grisham or Det. Hettinger with Arvada PD.
