

## THE NATIONAL SOCIETY OF LEADERSHIP AND SUCCESS

Building Leaders Who Make a Better World

# Learning Guild: NSLS Foundation Team

## Summary

If you are looking to further develop your start-up, non-profit, or fundraising skills while giving your expertise back to NSLS, the NSLS Foundation Team is for you. The Learning Guild NSLS Foundation Team is composed of advisors and members across the country who take the work, products, and activities for the NSLS Foundation and think about how to create the most funding for scholarships or new programs for all members.

## Duties & Responsibilities

- Manage project timelines and mini milestones.
- Have quarterly meetings with all Learning Guild teams to check in on progress.
- Have meetings with other NSLS Foundation Team as needed.
- Work with other Learning Guild teams to learn about their work, products, and accomplishments for use in programs.
- Create a final presentation explaining the training sessions created and discussing future directions for the NSLS Foundation

## Skills & Abilities Needed

- Project management skills.
- Verbal and written communication skills.
- Facilitation skills.
- Strong leadership skills.
- Non-profit or fundraising skills

## Time Commitment

This role requires about 30 minutes/week.
