

WEDDING PLANNING FACTS

These days, everything feels a little more complicated. To make wedding planning easy again, here are answers to all the questions we hear regularly. Our vow to you; We'll make your wedding feel safe, exciting + romantic!

CAN WE TOUR YOUR WEDDING VENUES?

Yes! We offer in-person tours for you and your fiancé to meet one of our wedding experts and explore the venue. If you can't travel, we can also provide a virtual tour via video link.

IS IT POSSIBLE TO GET MARRIED NOW?

Yes! It's possible and a great idea. We've been hosting safe and spectacular weddings since May 2020. Call or text 866.966.3009 to discuss which of our stunning venues are available.

We give joy and safety equal prominence so that guests feel confident and can enjoy celebrating with the newly-weds.

WHAT DO COVID-19 SAFETY MEASURES LOOK LIKE?

We do all we can to make our venues feel safe and look beautiful so you can relax. Here's an overview of the actions we take:

- ✓ Sanitation captain appointed for every event
- ✓ Each venue cleaned in accordance with official local guidelines
- ✓ High-touch surfaces regularly disinfected
- ✓ Extra cleaning between tours and events
- ✓ Sanitizer stations for guests
- ✓ Additional outdoor space and reconfigured interior to give everyone more elbow room
- ✓ Common areas have 6-foot distance markers

WILL OUR GUESTS NEED TO WEAR MASKS?

A wedding is a private event where you have full control over who attends. Your guests can decide what feels comfortable and comply with local guidelines. We recommend face coverings to help slow the spread and our team will wear inconspicuous face masks.

HOW DO WEDDINGS NOW COMPARE TO PRE-COVID-19?

They're exactly as fun and gorgeous as ever! The food, décor, venue, and entertainment is just as you would expect. Guests will only notice a few minor changes: tables are spaced a little further apart and food is protected with display screens. Activity by our team to sanitize and safeguard is continuous but behind-the-scenes. These advanced procedures are second nature for our team.

CAN WE HAVE A DJ AND DANCING AT OUR WEDDING RECEPTION?

As the newly married couple, we fully expect a first dance! All our venues have large dance floors and your guests can choose to join the floor or boogie in their seats. To paraphrase the famous song:

♪ you can dance if you want to! ♪

SOME OF OUR INTENDED GUESTS MIGHT NOT BE ABLE TO TRAVEL, SHOULD WE DELAY WEDDING PLANNING?

We hear from many guests who traveled for weddings recently that airports are becoming busier again as people realize they can fly safely. In addition, many couples choose to add a [live-streaming service](#) to their ceremony for guests who are happy to celebrate virtually. Of course, if significant guests cannot travel then you may want to look at a date that's further out.

The pandemic response is fast-changing. As weddings take an average on ten months to plan, it's likely that we'll return to life as you knew it in plenty of time for your big event! Talk to our team today to book a venue tour and start your wedding adventure!
