

Professional-strength service kills 99.9% of bacteria and viruses!

THE NEW BG VEHICLE SANITIZING SERVICE:

- Deodorizes by breaking down the cause of odors, not masking them
- Reduces allergy-causing particles, like pet dander and dust mite matter
- Kills fungus on hard surfaces
- Eliminates and prevents mold and mildew on all surfaces
- Sanitizes every surface in your vehicle

EPA registered and approved disinfectant for use against SARS-CoV-2, the virus that causes COVID-19. EPA Reg. No 82972-1 Health Canada DIN: 02422654
