

WITH 10+ YEARS OF INDUSTRY EXPERTISE, WE PROVIDE BEST-PRACTICES FOR SPORT ORGANIZATIONS. MODULES INCLUDE...

Membership Management

We provide unparalleled flexibility for integrated membership registration and management for Sports organizations.

Waiver/Liability Release Handling

Our advanced waiver management & storage uses strict processes handling minors and third-party registrations.

Club and event Affiliations

Streamline getting clubs or events live by offering an integrated sanctioning application process.

Integrate financial & Accounting Dashboards

A 24/7 live reporting dashboard with a balance sheet, profit and loss as well as cash flow statements and more.

RESULTS AND RANKINGS

Integrate with Competition Management Systems

Our recent feature allows you to create a live ranking and results directory across your organization that can be configured to your specific needs..

We listen to our clients' challenges and goals to develop new features released every week.

Say goodbye to generic registration platforms. We package our technology as a sport-specific platform configured to meet your sport's needs. Give your athletes a streamlined and personalized digital experience that reflects well on your brand.

WHAT OUR CLIENTS SAY...

“

The team at Interpodia have been excellent to deal with and work in a collaborative way to reduce administration or develop features to help us or our users. As a result of moving over to them, we were able to redeploy 1 full time equivalent staff member within months

Phil Dale, Executive Director, Triathlon Ontario
