Multi-Factor Authentication (MFA) Summary

Single-Factor authentication (username/password) is not sufficiently secure when handling sensitive Personal Health Information or Personally Identifiable Information. Multi-Factor authentication is required to properly secure access to sensitive information.

What is MFA?

Multi-Factor authentication (MFA) is an authentication method that requires users to verify identity using multiple independent methods. Instead of just asking for a username and password, MFA implements additional credentials like a pin sent via email or text, or a verification call made to a pre-registered phone number.

How Multi-Factor Authentication Works

The goal of MFA is to provide a multi-layered defense system. This helps ensure that the users who access your system are who they say they are. Even if one factor is compromised, there are still more barriers to breach.

For example, to log in to a secure program, a user would need to type a password and enter another number from a text, phone call or email. Only the correct password combined with the correct number from the additional authentication factor would give a user access.

Customer or Provider Login

Customer and provider users are any users who do not have a Kepro account or kepro.com email address. These users should use the login button under the Customer/Provider heading on the right-hand side of the login page.

After entering the Atrezzo Provider Portal URL (<https://portal.kepro.com/>), the login page will display.

The screenshot shows the Kepro login page. At the top is the Kepro logo. Below it is a section titled "LOGIN OPTIONS". There are two main columns. The left column is titled "Kepro" and contains the text "Use this login button if you have a Kepro domain account." and a blue "LOGIN" button. The right column is titled "Customer/Provider" and contains the text "Use this login button if you are a customer or provider user." and two blue buttons: "LOGIN WITH PHONE" and "LOGIN WITH EMAIL". Below these buttons is a checkbox labeled "Remember Me". At the bottom of the page, there is a light gray box containing the text: "If you don't already have a Kepro account, you can [register here](#)." "If this is your first login with multi-factor authentication, [click here](#) to complete your registration." and "Having trouble logging in? [Click here](#)."

SECTION 1 – Current Portal User; MFA Registration only

Use these instructions if you are a customer or provider user and you already have an Atrezzo username and password. The below instructions will guide you through completing the Multi-Factor Authentication (MFA) Registration.

From the login screen, click the link to complete the multi-factor authentication registration at your first login. This will be a one-time registration process.

The screenshot shows the 'LOGIN OPTIONS' screen. It features two main columns. The left column is for 'Kepro' domain accounts with a 'LOGIN' button. The right column is for 'Customer/Provider' users, offering 'LOGIN WITH PHONE' and 'LOGIN WITH EMAIL' buttons, along with a 'Remember Me' checkbox. Below these columns, a message states: 'If you don't already have a Kepro account, you can [register here](#).' A red box highlights the text: 'If this is your first login with multi-factor authentication, [click here](#) to complete your registration.' A red arrow points to the 'click here' link. At the bottom, there is a link for 'Having trouble logging in? [Click here](#).'

To begin the registration process, enter your Atrezzo username and password and click Login.

The screenshot shows the 'LOGIN' screen. It includes instructions: 'If you have not already registered for multi-factor authentication, use your Atrezzo login to complete registration. Otherwise use the back button to return to the primary login page.' There are two input fields: 'USERNAME' (marked with a red 'A') and 'PASSWORD' (marked with a red 'B'). At the bottom, there are 'BACK' and 'LOGIN' buttons (the 'LOGIN' button is marked with a red 'C'). A 'Forgot Password?' link is located at the very bottom.

Select the best multi-factor authentication method for you. A phone registration will require a direct line with 10-digits; extensions are not supported.

NOTE: When choosing an authentication method, you will be required to enter an email address for both options. Only choose the Email option if you do not have access to a direct phone line (landline or mobile).

Phone Verification

Click the PHONE button

The screenshot shows the 'LOGIN METHOD' screen of the Kepro application. At the top is the Kepro logo. Below it, the text 'LOGIN METHOD' is centered. A message states: 'Please select the method of multi-factor authentication to continue. Note: phone multi-factor authentication must be a 10-digit phone number and cannot use an extension.' At the bottom, there are two buttons: 'PHONE' and 'EMAIL'. A red arrow points to the 'PHONE' button, which is also highlighted with a red rectangular box.

Enter your work email address, then click Send Verification Code. A code will be sent to your email.

The screenshot shows a registration screen in the Kepro application. At the top is the Kepro logo and a 'Cancel' button. Below the logo is an 'Email Address' input field, which is highlighted with a red rectangular box. A red arrow points from this field to a blue 'Send verification code' button. Below the 'Send verification code' button are two input fields: 'New Password' and 'Confirm New Password'. A large red circular overlay with the text 'DO NOT ENTER' is positioned over these two fields. At the bottom of the screen is a light blue 'Create' button.

IMPORTANT: Do NOT enter anything in the Password section (this is not needed at this step).

Enter the verification code sent to the email address entered; then click Verify Code.

IMPORTANT: Do NOT enter anything in the Password section (this is not needed at this step).

After email verification is complete, enter a new password, confirm the password, and click Create. This is creating a password for the Multi-Factor Authentication Registration.

Enter your phone number and select Send Code or Call Me.

Below the icon is the text "Enter a number below that we can send a code via SMS or phone to authenticate you." followed by the label "Country Code". A dropdown menu shows "United States (+1)". Below that is the label "Phone Number" and a text input field with the placeholder "Phone number", which is highlighted with a red border. At the bottom are two blue buttons: "Send Code" and "Call Me".

When phone call is selected, the user will receive a phone call on the registered phone number and will be prompted to press the # key to complete authentication.

For SMS text authentication, enter the verification code received.

Below the icon is the text "Enter a number below that we can send a code via SMS or phone to authenticate you." followed by the text "+18" and a blurred input field. Below that is the text "Enter your verification code below, or send a new code" in blue. A large empty text input field is highlighted with a red border.

The system will automatically authenticate and display the home page.

The screenshot shows the Kepto application home page. At the top, there is a navigation bar with the Kepto logo, a search bar labeled "Search for Case # or Program #", and a user profile icon for "Daniyel Bezaury". Below the navigation bar is a main menu with icons for HOME, CASES, CREATE CASE, CONSUMERS, SETUP, MESSAGE CENTER, and REPORTS. The main content area displays a summary of messages: "0 NEW MESSAGES" (with a link to "Go to Message Center"), "WORK-IN-PROGRESS" (0), "NOT SUBMITTED" (0), and "SUBMITTED" (0). A message "Request Saved But Not Submitted" is also visible. Below this is a table with columns: CONTRACT, CASE TYPE, CONSUMER ID, CONSUMER NAME, DATE OF BIRTH, and LAST MODIFIED. The table currently shows "No records found."

SECTION 2 – New Provider Registration & MFA Registration

Use these instructions if you are a new provider and need to register for a Kepro account. The below instructions will guide you through registering for the Atrezzo Provider Portal and completing the Multi-Factor Authentication (MFA) Registration. Both registration and MFA registration are a one-time process.

From the login screen, click the link to register for a Kepro Account.

The screenshot shows the Kepro login interface. At the top is the Kepro logo. Below it is the heading "LOGIN OPTIONS". There are two main columns. The left column is titled "Kepro" and contains the text "Use this login button if you have a Kepro domain account." and a blue "LOGIN" button. The right column is titled "Customer/Provider" and contains the text "Use this login button if you are a customer or provider user." and two blue buttons: "LOGIN WITH PHONE" and "LOGIN WITH EMAIL". Below these buttons is a checkbox labeled "Remember Me". At the bottom of the screen, there is a red-bordered box containing the text "If you don't already have a Kepro account, you can [register here](#)." with a red arrow pointing to the link. Below this box is the text "If this is your first login with multi-factor authentication, [click here](#) to complete your registration." and at the very bottom, "Having trouble logging in? [Click here](#)."

Enter NPI and Registration Code, then click Next.

The screenshot shows the Kepro registration interface. At the top is the Kepro logo. Below it is the heading "Create a New Account - Specify Your Organization". There are two input fields. The first is labeled "NPI" with a red asterisk and a red callout bubble labeled "A" pointing to it. The second is labeled "PROVIDER REGISTRATION CODE" with a red asterisk and a red callout bubble labeled "B" pointing to it. Below the input fields are two blue buttons: "LOGIN" with a left arrow and "NEXT" with a right arrow. A red callout bubble labeled "C" points to the "NEXT" button. At the bottom, there is a small text block: "Please refer to the registration section of the Atrezzo Connect Provider Portal End User Guide for more information on how to register. You can find this document on your payer-specific Kepro website."

Create Username, and enter all required fields under Contact Information, then click Next.

A message will display confirming the Registration is complete. To complete the Multi-Factor Authentication registration, you must click the link in your email within 20 minutes.

Select the best multi-factor authentication method for you. A phone registration will require a direct line with 10-digits; extensions are not supported.

NOTE: When choosing an authentication method, you will be required to enter an email address for both options. Only choose the Email option if you do not have access to a direct phone line (landline or mobile).

Phone Verification

Click the PHONE button

Enter your work email address, then click Send Verification Code. A code will be sent to your email.

The screenshot shows the first step of the registration process. At the top is a 'Cancel' link and the Kepro logo. Below is a text input field labeled 'Email Address' with a red rectangular highlight. A red arrow points from this field to a blue button labeled 'Send verification code'. Below the button are two more text input fields: 'New Password' and 'Confirm New Password'. A large red circular overlay with the text 'DO NOT ENTER' is positioned over these two fields. At the bottom is a light blue 'Create' button.

IMPORTANT: Do NOT enter anything in the Password section (this is not needed at this step).

Enter the verification code sent to the email address entered; then click Verify Code.

The screenshot shows the second step of the registration process. At the top is a 'Cancel' link and a 3D cube icon. Below the icon is the text 'Verification code has been sent. Please copy it to the input box below.' followed by a text input field containing a placeholder email address. Below this is a text input field labeled 'Verification Code' with a red rectangular highlight. A red arrow points from this field to a blue button labeled 'Verify code'. To the right of this button is another blue button labeled 'Send new code'. Below these buttons are the same 'New Password' and 'Confirm New Password' text input fields as in the previous screen, with the same 'DO NOT ENTER' red circular overlay. At the bottom is a light blue 'Create' button.

IMPORTANT: Do NOT enter anything in the Password section (this is not needed at this step).

After email verification is complete, enter a new password, confirm the password, and click Create. This is creating a password for the Multi-Factor Authentication Registration.

The screenshot shows a mobile app interface for password creation. At the top, there is a back arrow and the word "Cancel". Below this is a 3D cube icon. A message states: "The code has been verified. You can now continue." Below the message is a text input field containing a blurred email address followed by ".com". Underneath the input field is a blue button labeled "Change". Below the "Change" button are two more text input fields, the first labeled "New Password" and the second labeled "Confirm New Password". Both of these input fields are highlighted with a red rectangular border. At the bottom of the screen is a blue button labeled "Create", which is also highlighted with a red rectangular border. A red arrow points from the left towards the "Create" button.

Enter your phone number and select Send Code or Call Me.

The screenshot shows a mobile app interface for entering a phone number. At the top, there is a back arrow and the word "Cancel". Below this is a 3D cube icon. A message states: "Enter a number below that we can send a code via SMS or phone to authenticate you." Below the message is a section titled "Country Code" with a dropdown menu currently showing "United States (+1)". Below the country code section is a section titled "Phone Number" with a text input field containing the placeholder text "Phone number". This input field is highlighted with a red rectangular border. At the bottom of the screen are two blue buttons: "Send Code" and "Call Me".

When phone call is selected, the user will receive a phone call on the registered phone number and will be prompted to press the # key to complete authentication.

For SMS text authentication, enter the verification code received.

Below the icon, the text reads: "Enter a number below that we can send a code via SMS or phone to authenticate you." Underneath is a text input field containing "+18" followed by a greyed-out area. Below the input field, the text says: "Enter your verification code below, or send a new code". At the bottom is a large, empty rectangular text input field, which is highlighted with a red border.

As a new user, you will need to read and agree to the Terms of Use.

A screenshot of a "Terms of Use Agreement" screen. The title "Terms of Use Agreement" is at the top center. The main body contains the following text: "THE KEPRO PORTAL IS SUBJECT TO AND GOVERNED BY TERMS AND CONDITIONS OF USE. BY PROCEEDING OR USING THE KEPRO PORTAL YOU ARE AGREEING THAT YOU HAVE READ AND UNDERSTOOD THE TERMS AND CONDITIONS OF USE AND AGREE TO BE BOUND BY THEM. IF YOU DO NOT UNDERSTAND THE TERMS OR CONDITIONS OF USE OR DO NOT AGREE TO BE BOUND BY THEM, DO NOT PROCEED OR OTHERWISE USE THE KEPRO PORTAL. UNAUTHORIZED ACCESS TO THE KEPRO PORTAL IS PROHIBITED." Below this is the heading "KEPRO PORTAL TERMS OF USE". The first section states: "1. This Terms of Use Agreement (the 'Agreement') is between Kepro, Inc. ('We', 'Us' or 'Our'), the group/practice entity that has been provided an ID (as defined in Section 3 below) using this Portal (as defined below) (the 'Provider') and the Users (as defined in Section 2 below) (the Provider and Users shall collectively be 'You' or 'Your'). This Agreement governs the use of the Kepro Portal, including without limitation, all software, insurance codes, graphics, logos, text, documentation, user guides, databases and compilations of all materials other than Patient Information (as defined in Section 6), enhancements, bug fixes, upgrades, modifications, and copies thereof, and all information, methods and processes contained therein (the 'Portal'). By using the Portal, You agree that You accept the terms and conditions of use of the Portal and that You are an authorized user of the Portal. This Agreement is posted on the Portal and is subject to change at any time." The second section states: "2. Authorized Personnel. This Portal is intended for access solely by physicians and authorized members of their staff. Authorized members include only (a) the personnel permitted to access and use the Portal by Provider ('Standard User(s)') and (b) Standard Users who have been assigned certain administrative duties ('Administrative User(s)'). ('Standard Users' and 'Administrative Users' shall be collectively 'Users'). If You are an Administrative User, it is Your responsibility to identify Standard Users, and to authorize, monitor, and control access to and use of the Portal by such Standard Users. All Users using the Portal represent and warrant that s/he is authorized to use the Portal and to bind You to the terms of this Agreement." At the bottom, there is contact information: "Kepro, Inc. 777 East Park Drive Harrisburg, PA 17111 Toll-free: 800.222.0771 Phone: 717.564.8288 Fax: 717.564.3862 www.kepro.com". Below this is a checkbox with the text "I have read and agree to these terms of use." The checkbox is currently unchecked and is highlighted with a red border. A red arrow points from the checkbox to a blue button labeled "CONTINUE" with a right-pointing arrow.

The system will automatically authenticate and display the home page.

Email Verification

Click the EMAIL button

Enter your work email address, then click Send Verification Code. A code will be sent to your email.

The screenshot shows the first step of the registration process. At the top is a 'Cancel' link and the Kepro logo. Below is a text input field labeled 'Email Address' with a red border. A red arrow points from this field to a blue button labeled 'Send verification code'. Below the button are two more text input fields: 'New Password' and 'Confirm New Password'. A large red circular overlay with the text 'DO NOT ENTER' is positioned over these two fields. At the bottom is a light blue 'Create' button.

IMPORTANT: Do NOT enter anything in the Password section (this is not needed at this step).

Enter the verification code sent to the email address entered; then click Verify Code.

The screenshot shows the second step of the registration process. At the top is a 'Cancel' link and a 3D cube icon. Below the icon is the text 'Verification code has been sent. Please copy it to the input box below.' followed by a text input field containing a placeholder email address. Below this is a text input field labeled 'Verification Code' with a red border. A red arrow points from this field to a blue button labeled 'Verify code'. Next to it is another blue button labeled 'Send new code'. Below these buttons are the same 'New Password' and 'Confirm New Password' text input fields as in the previous screen, with the 'DO NOT ENTER' red circular overlay still present. At the bottom is a light blue 'Create' button.

IMPORTANT: Do NOT enter anything in the Password section (this is not needed at this step).

After email verification is complete, enter a new password, confirm the password, and click Create. This is creating a password for the Multi-Factor Authentication Registration.

As a new user, you will need to read and agree to the Terms of Use.

The system will automatically authenticate and display the home page.

SECTION 3 – New User MFA Registration

Use these instructions if you are a new user and need to complete MFA registration. The below instructions will guide you through completing the Multi-Factor Authentication (MFA) Registration, which is a one-time process.

A new user will receive an email with a link to complete the MFA registration process after the Provider Administrator has created their username. As a new user, you must click the link in the email and follow the MFA registration process in order to complete the access request.

To complete the Multi-Factor Authentication registration, you must click the link in your email within 2 days.

SECTION 6 – Remember Me functionality

Use these instructions to enable your computer to remember your login credentials for four (4) hours. You should NOT use this option if you use a shared device.

When the Remember Me button is checked on the login screen, external users will be able to login without entering Atrezzo credentials or MFA for four (4) hours.

To use this feature, check Remember Me box then click Login with Phone or Login with Email.

For the next four (4) hours, when accessing Atrezzo, you will click Login with Phone or Login with Email and bypass the login credentials and MFA steps. After four (4) hours, you will need to login with your credentials and MFA when prompted. You must use the same login option (Login with Phone or Login with Email) for the Remember Me functionality to remember the credentials. If you select a different login option, you will be required to enter MFA credentials.

To turn off this feature, uncheck the Remember Me box, before clicking Login with Phone or Login with Email, and you will be prompted to enter login credentials and MFA at the next sign-on.

NOTE: This feature will only work if the browser is configured to “continue where you left off” by reopening tabs on startup. The Remember Me functionality will work as long as the browser remains open, but if the browser is closed, the Remember Me functionality will not work without following the below instructions.

Chrome Configuration

Google Chrome is the preferred browser for Atrezzo.

To set “continue where you left off” in Google Chrome, click the three (3) menu dots in the upper right corner of the browser

Then click Settings.

Click On startup in the left menu

Then click the selection for “Continue where you left off”.

Edge Configuration

To set “continue where you left off” feature in Microsoft Edge,
Click the three (3) menu dots in the upper right corner of the browser
Then click Settings.

Click On startup in the left menu
Then click the selection for “Continue where you left off”.

Registration Error Message

If a Registration Error message is received while attempting to register, click Reset.

Enter username and click Submit. An email will be sent to the registered email address to complete the registration process.

Click the link in the email, this will complete the registration process.

Forgot or Reset Password

Click your usual login method. Login with Phone or Login with Email under the Customer/Provider heading on the right-hand side of the login page.
