## New Facility and MFA Registration Provider and Customer Users

## New Provider Registration & MFA Registration

New to Atrezzo? You need to register for a Kepro facility account. Instructions on how to get a code can be found below and on our website at [FL PASRR I & II | Homepage \(kepro.com\)](#)

### Helpful Hints

- You will need the NPI for your facility, not for a specific physician.
- The Administrator should be someone on your team who will be able to add and manage users in the system.

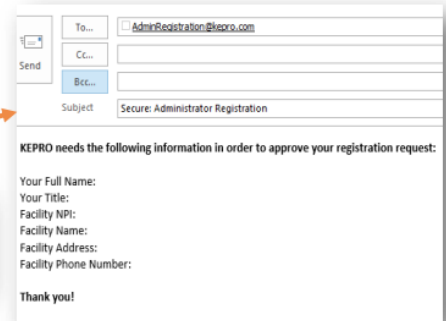

### Brand New Facility?

- You will need to designate a Provider Administrator for your facility. This person will need to add and manage all other users of the Provider Portal.
- The Provider Administrator should visit <http://floridapasrr.kepro.com> and click on the link shown below labeled “please click here to send us an email.”
- Complete the email form and click Send.
- You should expect an email from [adminregistration@kepro.com](mailto:adminregistration@kepro.com) within 24 hours of requesting your registration code.

*There can only be one Administrator per facility. The Administrator is able to create additional users. There are three types of users that can be created by Administrators: additional administrators, Level I screeners, and Level II requesters.*

To register as the Administrator of your facility [please click here to send us an email](#). Complete all of the requested information before sending the email.

For any questions or information regarding upcoming trainings, please contact KEPRO at 866-880-4080 or by email at [FLPASRRMIQuestions@kepro.com](mailto:FLPASRRMIQuestions@kepro.com).

A message will display confirming the Registration is complete. You will receive an email to the account that you entered (see D and E on prior page).

To complete the Multi-Factor Authentication registration, you must click the link in your email **within 20 minutes**.

Select the best multi-factor authentication method for you. A phone registration will require a direct line (mobile or landline) with 10-digits; extensions are not supported.

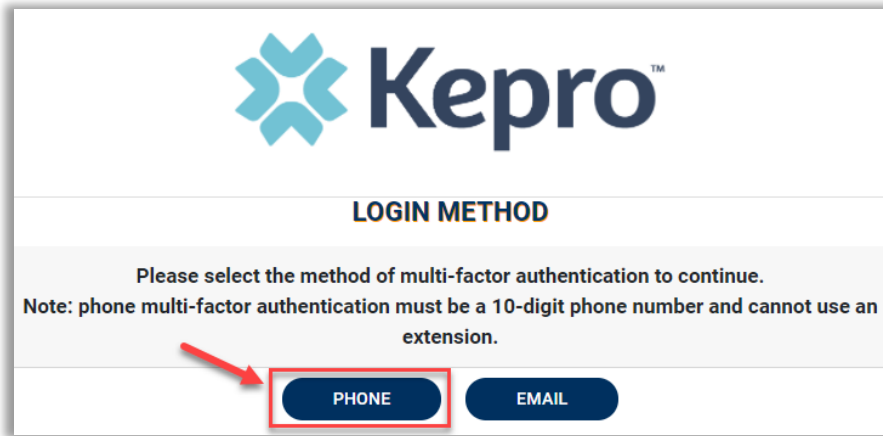

**NOTE:** When choosing an authentication method, **you will be required to enter an email address** for both options. Only choose the Email option if you do not have access to a direct phone line (landline or mobile).

Want to register by **phone**? Continue on to the next page.

Want to register by **email**? Skip to page 10.

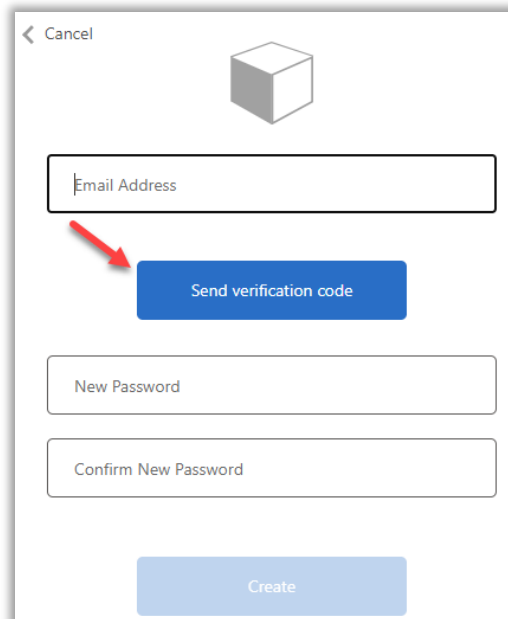

## Phone Verification

Click the PHONE button

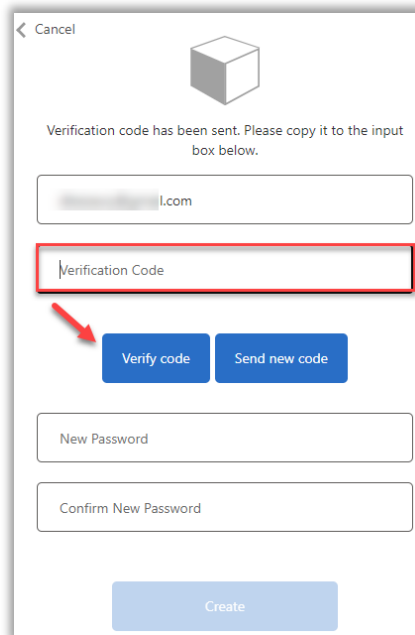

The image shows a mobile application screen for the 'Kepro' login method selection. At the top is the Kepro logo. Below it, the text 'LOGIN METHOD' is centered. A grey box contains the instruction: 'Please select the method of multi-factor authentication to continue. Note: phone multi-factor authentication must be a 10-digit phone number and cannot use an extension.' At the bottom, there are two buttons: 'PHONE' and 'EMAIL'. A red arrow points to the 'PHONE' button, which is also highlighted with a red rectangular border.

Enter your work email address, then click Send Verification Code. A code will be sent to your email.

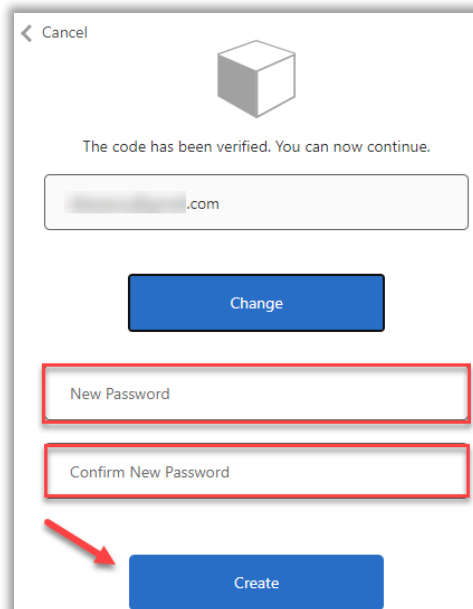

The image shows a mobile application registration form. At the top left is a '<' Cancel button. In the center is a 3D cube icon. Below the icon is an 'Email Address' input field. A red arrow points to the 'Send verification code' button, which is blue. Below this are 'New Password' and 'Confirm New Password' input fields. At the bottom is a light blue 'Create' button.

Enter the verification code sent to the email address entered; then click Verify Code.
