

Moffitt Hospital Services

The Hillsborough County Health Care Plan has contracted with Moffitt Hospital to provide needed cancer services for our clients. Effective December 9, 2016 Moffitt Hospital will be providing the following hospital-based inpatient and outpatient medical services to HCHCP clients:

- Inclusive inpatient hospital stays, outpatient surgery services, diagnostic services, including but not limited to radiology and laboratory services, observation, and all hospital-based professional services.
- Chemotherapy and radiation therapy.

Hospital and Physician Medical Services will be provided for the following diagnoses:

1. Neuroendocrine cancer
2. Sarcoma
3. Endocrine cancers
4. Acute Leukemias
5. Triple Negative Breast Cancer
6. Mesothelioma

The list of approved diagnosis codes are listed on the Kepro website under the tab 'Providers' – tab – 'Moffitt Dx Codes'.

The screenshot shows the Kepro website interface. At the top left is the Kepro logo and Hillsborough County Florida logo. A search bar is located at the top right. Below the logos are navigation links: HOME, ABOUT KEPRO, CONTACT, PRIVACY, and SITEMAP. On the left side, there is a vertical sidebar with buttons for HOME, Reference Manual, Providers, Key Links, Training, FAQs, and Contact Us. The main content area is titled 'Provider Reference' and contains the following text: 'Materials for providers'. Below this, there are instructions: 'To view a document and then save it: Click on the link in the document list to view the document in your browser. From the menu at the top of the browser, select FILE -> SAVE AS to navigate to the folder in which you wish to save the document. Then save it.' and 'To save the document without opening it: Right-click the link in the document list and select "Save target as". Navigate to the folder in which you wish to save the document. Then save it.' At the bottom of the main content area, there is a list of links: CPT Codes, Moffitt Dx Codes, Questionnaires, FAX Forms, and HELP. A 'Top' button is located at the bottom right of the page.

Services to treat diagnoses not listed above shall be requested by the County on a case by case basis.

Kepro conducts medical necessity reviews on behalf of the County. Only certain CPT codes require prior authorization from Kepro. The list of CPT codes can be found at <http://hchcp.Kepro.com/content/providers.aspx>
