

KEPRO Password Requirements

- You must change your password at least every 90 days. The system will warn you, starting 10 days before the password expires, after you log on.
- Your new password cannot be identical to the expiring password.
- Passwords must be at least 8 characters but no more than 16
- Passwords must have at least one of each of the following:
 - One upper case letter
 - One lower case letter
 - One number
 - One special character. The “legal” special characters are the following:
