

OHPCC

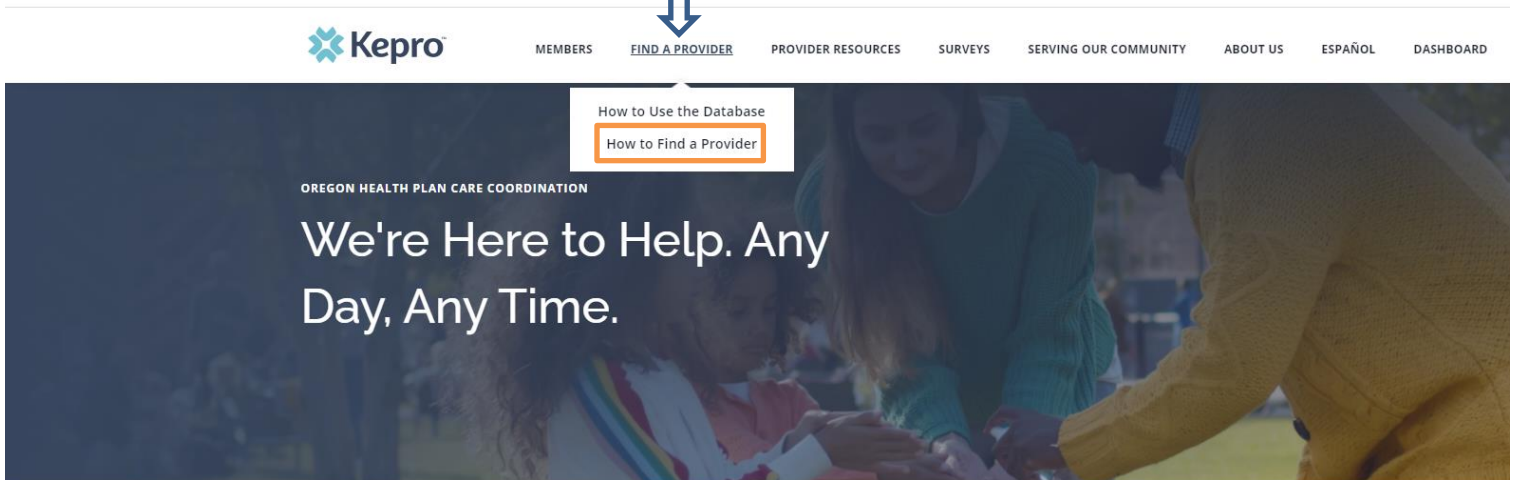

**How to use “How to Find a Provider Tool”**

**PURPOSE:**

“How to Find a Provider” also known as Provider Network Database, is a tool Kepro provides this listing as a service, offering you the ability to search for a provider to best fit your needs. Kepro offers this tool to assist you in your provider selection, including, name of the facility, name of the provider, location, and specialty. Our provider-network data provides all the details on which doctors and facilities participate in OHP. This dataset allows our members, and anyone who can access the network with get basic information of those providers who are eligible with OHP on demand.

**Related Processes:**

Please go to [ohpcc.org](http://ohpcc.org)

**Click on How to Find a Provider**

**It will take you to the screen that looks like the one down below**

**Provider Search**

Kepro provides this listing as a service, offering you the ability to search for a provider to best fit your needs. Kepro offers this tool to assist you in your provider selection, including location, hours, specialties, and languages. Kepro routinely updates listings to correctly identify providers who accept Medicaid Fee For Service (OHPCC) members and have contracts with the state. Please confirm provider status at the time of service. Please read the disclaimer below for further details.

**Member Disclaimer:**

~ I understand searching the provider network is not an endorsement of any healthcare professional or their ability to care for my needs.  
~ I understand the selection of a provider is not a guarantee of payment and the services I receive must be covered under the terms of my health benefits plan.  
~ I understand I must check my benefit information on which services require prior authorization. Failure to do so may result in non-payment for services or a reduction in the benefits available to me.

- Clicking on the Accept button indicates that you understand and agree to the above information and takes you directly to Provider Search Screen.
- Clicking on Decline will take you back to the log in screen.
