

# COVID-19 CASE REVIEW FLOWCHART

**MY CHILD  
IS SICK**

Do symptoms include fever, cough, sore throat, loss of taste or smell, and /or shortness of breath? (not including dry cough caused by chronic diseases like asthma, loss of taste or smell as a side effect of snuffle)

**NO**

Keep child at home. If symptoms develop, consult a medical professional. Inform school. Child may return to school 48 hours after symptoms end.

**YES**

Consult a medical professional for next steps.  
Inform school.

**COVID-19 test recommended**

Take test. Child in quarantine while awaiting results.

**POSITIVE?**

Inform the health authority.  
**Isolate the child at home.**  
(The period of isolation does not end automatically but only lifted by the responsible authority.)

**NEGATIVE?**

Child may return to school 48 hours after symptoms end.

Contacts traced.

Close contacts **identified, alerted, and given instructions.**

ISF Health and Safety team (HST) **review case** with German authorities.

After **consultation** with health authorities, modification to the learning model will **follow** their recommendations.

**ONLY POSITIVE COVID-19 TESTS WILL BE REPORTED BY ISF TO ISF COMMUNITY AND HEALTH AUTHORITIES.**
