Grade 2
Back to School Supplies

- 1 complete Feeling Faces set set w/ring or resealable bag
- 1 Use the Control Signals cling
- Parent/caregiver letters: We suggest either emailing or texting the parents with the parent letters that correspond to the lessons as you cover them.
- PATHS Kid For Today Compliment list: We suggest either emailing the parents a copy of the compliments or taking a picture of the compliment list and texting it to the family.*

*There are numerous extension activities that you can choose from which may require additional materials such as glue, crayons, scissors etc. Including these activities within the student packet is at the discretion of the school and what they are able to provide for home use.
