Dear Colleague

Office of the Chief Allied Health Officer – Department of Health

I'm writing to provide you all with an update on previous correspondence. The Executive Officer and I met today with representatives from the Chief Allied Health Office (CAHO) within the Australian government Department of Health.

Representatives from the CAHO let us know that their website (www.health.gov.au/health-topics/allied-health/about) was updated today with further information on recognition by the Australian government on allied health profession, and the website now includes the Chinese medicine profession within the list of Ahpra-regulated allied health professions.

Yours sincerely

Professor Danforn Lim
Chair, Chinese Medicine Board of Australia
