

Clearinghouse Cheatsheet

Work with a clearinghouse to simplify claims management

Vyne Dental – (Formerly known as Remote Lite)

- Unlimited claim submission and attachments for a flat fee/month (90 Day Free Trial)
- Each Tax ID is billed separately
- If eClaim is not accepted will mail most claims for office
- Validation Errors can be corrected within the clearinghouse after submission and resubmitted immediately
- Ability to electronically save and send claim attachments such as radiographs, perio charting, EOBs, narratives, pre-treatment estimates, secondary insurance

Change Healthcare

- Charges \$0.45/per claim submission
- Integrates with NEA FastAttach for attachments in separate software outside of the clearinghouse
- Validation Errors/rejected claims can not be corrected within the clearinghouse and must be fixed within the dental practice software prior to resubmission.

DentalXchange – (ClaimConnect/ EDI-Health Group, Inc)

- Charges \$0.25/claim and \$25 unlimited claim attachments through DentalXChange web portal
- Validation errors/attachment errors can be corrected to an extent on the web portal
- \$19.95/mo eligibility checks
- \$19.95/mo ERA (electronic remittance advice)
- If eClaim is rejected it will be on the claim list for the office to mail. Will not mail any claims on behalf of the office.

Dentrix – (eClaims)

- Charges \$0.40/per claim submission
- Will be charged again if claim and/or attachment not received for resubmission
- Validation errors/rejected claims can not be corrected within the clearinghouse, claim will need to be resubmitted
- Attachments included in software through screenshot or import.
